1 IMPORTANT INFORMATION

1.1 About this Document

- 1.1.1 These MT4 Terms and Conditions of Trading (“Terms”), together with the Product Disclosure Statement, the General Terms and Conditions of Trading and the other documents described below that make up the agreement between you and us govern the terms and conditions under which CMC Markets NZ Limited (referred to in these Terms as “CMC Markets”, “we”, “us” or “our”) will provide Products and Services to you, specifically derivative products issued by us and traded through the MT4 Platform (Products). Before deciding whether to trade with us, you should consider whether trading CMC Markets Products is a suitable investment for you and should carefully review these Terms, the PDS, the CMC Markets Financial Services Guide (“FSG”), the Risk Warning Notice, the Order Execution Policy and the other documents published by us from time to time on the legal section of our Website (<http://www.cmcmarkets.co.nz/en/legal>) or on the Platform.
- 1.1.2 You should note that these Terms contain information specific to Products offered by CMC Markets that is not applicable to products traded through any other platform.
- 1.1.3 The agreement between you and us (“Agreement”) consists of these MT4 Terms, the PDS, the General Terms, the FSG, the Risk Warning Notice, the Order Execution Policy, the CMC Markets Rates Schedule, the Product Library, any Confirmation and any other terms and conditions published by us from time to time on the Platform or on our Website. The Product Library contains a list of Products and key information relating to each Product such as its Attributes, Variable Rates, Holding Rates and Prices and is accessible through the Platform.
- 1.1.4 The Products described in these Terms are speculative products, and, when leveraged they can place a significantly greater risk on your investment than non-leveraged investment strategies such as conventional share trading. You will find more about risk factors associated with trading in our Risk Warning Notice available on our Website. You may incur losses in addition to any fees and costs that apply. These losses may be far greater than any money you have deposited into your Account or are required to deposit to satisfy any Margin.
- 1.1.5 These Terms are dated and are effective from the date noted on the front cover. The current Agreement supersedes all previous oral or written representations, arrangements, understandings and/or agreements between you and CMC Markets which relate to the Products and Services.
- 1.1.6 The version of the Agreement (which includes these Terms) published on our Website at the time of entering into a Trade governs that Trade. Information within these Terms, the PDS, the General Terms or any other document that otherwise forms part of the Agreement is subject to change from time to time and, where it is not materially adverse to you, may be updated by us by posting it on our Website at cmcmarkets.co.nz. See the PDS for more information.
- 1.1.7 If you are receiving advice or services from an Introducing Adviser, you should also refer to their disclosure material.
- 1.1.8 Schedule 1 of these Terms contains a Glossary in which various words and phrases used in these Terms are defined. You should also consider the glossary in the PDS and words not included in the Glossary in these Terms are defined in the PDS and / or the General Terms. If you do not understand a word or phrase, you should refer to the Glossary and/or the PDS and General Terms glossaries. Terms that have been included in the Glossary are capitalised in this document.

request that we access the Platform on your behalf, however please refer to the Risk Warning Notice and the PDS for more information on when the Platform may become unavailable.

- 2.2.1 When we receive a completed Application from you, we may use your information to conduct any further enquiries about you as we in our sole discretion determine are necessary or appropriate in the circumstances (including but not limited to confirmation of your identity, sanctions screening, and obtaining references from your bank or your employer (as applicable)). Where our enquiries include searches with credit reference agencies, they may appear on your credit history. We may also carry out any additional checks that we in our sole discretion determine are necessary or appropriate in the circumstances to combat fraud and money laundering or if your Account becomes dormant. You will need to co-operate with us and supply any information that we request promptly. We reserve the right to periodically review any information that you have provided and to make periodic searches of, and provide information to, credit reference and/or any other agencies (as applicable) where we have a legitimate reason for doing so.
- 2.2.2 Trading in Products may not be suitable for all investors because of the significant risks involved. During the application process CMC Markets will ask questions in order to assess your understanding of and experience with CFDs or related products. Based on your answers we may allow you to open an Account or decline your application and recommend that you first obtain further education or experience, for example, through the use of a demo account.
- 2.2.3 We may rely on the information that you provide us in the Application as being correct at any time, unless you notify us otherwise in writing. In particular, you must notify us as soon as possible in writing if any of the contact details provided to us in your Application or otherwise have subsequently changed.
- 2.2.4 Applications are accepted by us in our absolute discretion. If we accept your Application and open an Account for you, we will confirm this in writing and provide you with details on how to access your Account through the Platform.
- 2.2.5 In certain circumstances we may require additional documentation prior to opening your Account such as the provision of a guarantee in respect of Accounts opened by non-individuals.

- 2.3.1 You are responsible for setting your own password in accordance with the instructions that we provide to you (which together with your email address are known as your "Account Sign In Details").

- 2.3.5 If you have no Positions on your Account for a continuous period of one year we reserve the right to carry out additional checks on you before we allow you to access your Account or enter into another Trade.

3 ACCOUNTS

3.1 Order execution and Price sources.

- 3.1.1 We enter into all Trades with you using Prices quoted through the MT4 Platform or through our client management team. Our Prices are not identical to prices for similar financial instruments or their underlyings quoted elsewhere or by other providers. By entering into Trades via the MT4 Platform or through our client management team you consent to your Orders being executed outside of a regulated market and in accordance with our MT4 OEP.

3.2 Duration of the Agreement and your rights to cancel.

- 3.2.1 The Agreement will become legally binding between you and us on the date that we confirm in writing that we have accepted your application to open an Account. Subject to clause 3.2.2, you may cancel the Agreement by giving us notice in writing within fourteen (14) calendar days of this date. Following a valid notice of cancellation, we will return any money that you have transferred to us.
- 3.2.2 Notwithstanding clause 3.2.1, you will not have the right to cancel this Agreement within fourteen (14) calendar days of your Account opening if you have, in this period, entered into Trades which have been affected by fluctuations in the financial markets. You may, however, still close your Trades and your Account in accordance with the Agreement.

3.3 Account Types and Features

- 3.3.1 We offer different Account types and features. Depending on your knowledge and experience or client categorisation, some of these may not be available to you. We reserve the right to convert your Account type and/or enable/disable (as applicable) Account features if, in our sole discretion, we determine that a different Account type/feature (as applicable) is more appropriate for you or if otherwise required by Applicable Law.

4 TRADING WITH US

4.1 Orders.

- 4.1.1 In addition to our rights to modify, cancel and/or reject your Orders, we may, in our sole discretion, refuse to accept any instructions for any reason whatsoever.

4.2 Accessing the Trading System.

- 4.2.1 We will do our best to make the Trading System and our client management team available when required by you, but we cannot guarantee that the Trading System or our client management team will be available continuously. Subject to clause 6.2.2(b), we will not be liable to you for any loss that arises as a result of the Trading System and/or our client management team being unavailable.
- 4.2.2 You are responsible for making sure that you are able to access the Trading System when you need to. This includes having access to a device that can connect to the Trading System, maintaining the device so that it functions properly and having adequate internet connectivity.
- 4.2.3 If you cannot access the Trading System directly, then you should try to contact our client management team by telephone or email to request assistance. However, this is likely to be much slower than accessing the Trading System directly and we cannot guarantee the availability of our client management team.

4.2.4 Where the Trading System, our Website, e-mails or any other content generated by us contains links to other websites and resources provided by third parties, these links are provided for your information only and we accept no responsibility for them or for any loss or damage that may arise from your use of them.

4.3 **Information and reports about your trading activity and your Account.**

4.3.1 We provide a range of information relating to your Account on and through the Trading System, including:

- (a) once we have executed an Order on your behalf, we will promptly provide you with the essential information concerning the execution of the Order in real time through the Trading System;
- (b) where the value of any relevant Trade moves by ten (10) per cent or multiples of ten (10) per cent, we will notify you where required under Applicable Law;
- (c) up-to-date statements of your Positions and any money held by us in respect of your Account as required under Applicable Law

4.3.2 It is your responsibility to regularly access and review the information set out above to ensure that it corresponds with your own records. Subject to clause 4.4, information provided through the Trading System will be conclusive unless we notify you or you notify us in writing of any mistake, error or inaccuracy.

4.3.3 The Trading System will generally update the information set out in clause 4.3.1 in real time. However, from time to time this may not happen immediately due to a Circumstance Outside Our Control (see clause 7.2).

4.3.4 We will retain certain information in relation to your Account that we are required to provide you with in relation to an Order or Trade to the extent and for the duration required by Applicable Law. You may access this information through the Trading System unless the relevant Account has been closed or the Agreement has been terminated. After this period, we may destroy this information or retain it for such further duration as we see fit in our sole discretion and without notice to you.

4.4 **Errors.**

4.4.1 From time to time, material errors and omissions may occur in respect of your Trades, your Account, or the Trading System (each an Error). Examples of Errors may include (without limitation): the Trading System displaying incorrect Prices (whether caused by a third party supplier or due to a problem with our systems), an Order being handled incorrectly by the Trading System and/or our client management team (including execution at an incorrect Price or contrary to underlying market conditions) or incorrect Deductions or credits being applied to your Account.

4.4.2 If you or we know or suspect, or are aware of circumstances in which you or we ought reasonably to know or suspect, that an Error has occurred:

- (a) as applicable, you must notify us as soon as reasonably practicable or we will notify you as soon as reasonably practicable, which for the avoidance of doubt may be after an Error has occurred; and
- (b) we will then use reasonable endeavours to investigate whether there has, in fact, been an Error and/or what caused it.

4.4.3 If an Error has occurred, this constitutes a Specified Event and the provisions of clauses 7.1 and 7.3 will apply, and we will inform you of any Reserved Actions we may take, or may have taken, in accordance with clause 7.3.3.

5 FINANCIAL MATTERS

5.1.1 Accounts.

5.1.2 At the close of business on each Business Day, we carry out client money reconciliations between money required to be held in the client money bank accounts and client money that is held in the client money bank accounts in accordance with Applicable Law. Any required transfer to or from the client money bank account in respect of your Account will take place on the following Business Day.

5.1.3 If there has been no activity on your Account for an extended period of time, we may impose dormant account fees in accordance with our FSG and make a Deduction from your Account in accordance with the PDS. If there has been no activity on your Account in the previous six (6) years, we will make reasonable attempts to contact you regarding any client money held in your Account. If we are unable to contact you, you agree that we may deal with your money in accordance with Applicable Law. If you later make a valid claim to us we may pay you any amount owed to you by us.

5.1.4 We do not accept responsibility for any loss or damage suffered by you as a result of you trading on money placed in or credited to your Account in error by us or on our behalf. We will be entitled at any time and in our sole discretion to deduct, without notice or recourse to you, any money placed in or credited to your Account in error by us or on our behalf.

5.2 Payments and withdrawals.

5.2.1 You are responsible for making any payments to us that are required under the Agreement. We may reject any payment that is not made in accordance with our payment procedures (details of which are available on the Back Office Platform).

5.2.2 When making payments to us, you may wish to leave "headroom", especially during volatile and potentially volatile periods (i.e. an Amount that ensures you have sufficient funds above your Margin requirements and that your Account Value is in excess of your total Margin requirements (if applicable) or the Amount required to keep the Account Value above the applicable Close-Out Level on any Account). You should consider your Positions, Trades and Pending Orders, the volatility of the particular Product concerned and the relevant markets for the underlying asset, the time it will take for you to make further payments of cleared funds to us and any other matter which you may think relevant.

5.2.3 Any payment made by you will only be given effect once our systems have credited it to the relevant Account and it is shown on the Trading System. We cannot guarantee how long this process will take and, subject to clause 6.2.2(b), we will not be liable to you for any loss arising as a result of any delay in us crediting any payment to your Account and/or in any such payment showing on the Back Office Platform and/or the MT4 Platform.

5.2.4 You are responsible for any costs and charges incurred in the process of making any payment to your Account. You may also be liable for other charges that are not imposed by us, including bank transfer fees, and fees to internet and telephone service providers. If you make a payment by debit card or credit card or withdraw money from an Account, we may charge an administration fee to process that payment and/or withdrawal in accordance with Applicable Law.

5.2.5 You may make a request to withdraw money up to the lower of your Available Equity or Cash from your Account as shown on the Back Office Platform at that time. Details on how to make withdrawals of money from your Account are available on our Website or from our client management team upon request.

5.2.6 If there is a loss of connection between the Back Office Platform and the MT4 Platform, then withdrawals from your Account may not be possible until the connection is restored. Subject to clause 6.2.2(b), we will not be liable to you for any loss arising as a result of any delay in restoring the connection between the Back Office Platform and the MT4 Platform.

5.2.7 Unless we agree otherwise or in order for us to comply with Applicable Law, we will only accept a request for a withdrawal of money from an Account that is given directly by you or certain Authorised Persons. We will not accept any request for a withdrawal of money from an Account from any other person. Withdrawals of money from your Account will only be made in the Account Currency and will only be processed by us where the destination for the money being withdrawn is the same as the origin of your payments made under clause 5.2.1, unless (subject to our prior approval) you have notified us in writing that your payment details have changed.

5.2.8 We may in our reasonable discretion refuse or delay giving effect to your request for a withdrawal of money from your Account (in whole or in part), including as a result of any request to close that Account under clause 8.5.1. We will notify you as soon as reasonably practicable if we decide to refuse or delay giving effect to your request for a withdrawal and such action shall be a Specified Event (see clause 7.1).

5.3 **Commission and other charges.**

5.3.1 There are costs associated with trading with us, including spread, currency conversion costs, commission, holding costs and market data fees:

- (a) Spread is the difference between the buy price and the sell price. This cost is realised each time you open and close a trade.
- (b) Any cash, realised profit and losses, adjustments, fees and charges that are denominated in a currency other than the base currency of your account, will be converted to the base currency of your account and a currency conversion fee will be charged to your account.
- (c) Commission will be charged on each trade, details of the Commission for each Product is available in the Product Library.
- (d) Holding Costs are the fees charged for every night that your position is held. This means the longer you hold a position, the greater the Holding Costs. Any additional cost of borrow will be factored to the holding cost. Details of Holding Costs and how they are calculated are available in the Product Library and examples of Holding Cost calculations are available on our Website.

5.3.2 Details on these costs can be found in our costs disclosure via our Website, the Trading System, in these Terms, the PDS and in our FSG. We may impose and/or vary additional fees, costs or charges from time to time where we have a valid reason for doing so. We may also, in our sole discretion, waive these fees, costs or charges. Subject to clause 5.3.3, we will give you notice at least ten (10) Business Days before we implement any change to our fees, costs or charges.

5.3.3 Notwithstanding clause 5.3.2, any changes to Commissions will be automatically imposed by the Trading System without notice to you in accordance with clause 8.3.1 and the PDS. You will have the choice as to whether or not you place an Order based on the Commission applicable to your Order at that time.

5.3.4 Where we have changed our Commissions, then corresponding Amounts will be due and payable to us immediately upon execution of an Order and will be deducted from the Cash in your Account. It is your responsibility to ensure that you have sufficient Cash in your Account to pay any Commission due in full, and any failure to do so may result in Account Close-Out.

5.3.5 All charges will be made inclusive of any value added taxes or similar consumption taxes as applicable.

5.4 **Introduced business.**

5.4.1 This clause 5.4 applies if you have been introduced to us by a third party introducing advisor and have agreed with that third party introducing advisor for the payment of fees, commission and/or other remuneration ("Third Party Fees") in respect of such introduction and related services provided by the third party introducing broker to be paid via the Trading System. We will notify

you in advance of the effective date of this clause 5.4 and this clause 5.4 will apply from the date specified in that notification.

- 5.4.2 By entering into this Agreement with us, you authorise us to deduct any Third Party Fees payable by you to the third party introducing advisor from any money held by us in respect of your Account and pay this to the third party introducing advisor on your behalf. We will notify you in advance of the basis of calculating deductions.
- 5.4.3 Any deductions will be made inclusive of all taxes, duties or levies, however designated or computed, including but not limited to value added taxes (or similar).
- 5.4.4 It is your responsibility to ensure that there are sufficient funds in your Account to pay any Third Party Fees due to the third party introducing advisor in full.
- 5.4.5 We reserve the right, at any time and without notice to you, to cease to facilitate the payment of, or make deductions in respect of, the Third Party Fees. Where we cease to facilitate or make deductions in respect of the Third Party Fees in accordance with this clause 5.4, any outstanding Third Party Fees payable must be agreed and settled directly between you and the third party introducing broker.
- 5.4.6 You may withdraw or seek to amend the authorisation given to us under this clause 5.4 for us to facilitate or make deductions in respect of the Third Party Fees on your behalf, by giving us at least one (1) Business Day's notice in writing.

- 6.2.3 We are not responsible for any delays, delivery failures, or failures in transmission of any Order or any other communication or any other loss or damage resulting from the transfer of data over mobile or other communications networks and facilities outside of our control.

- 6.2.5 For the avoidance of doubt, our third party providers are not responsible for and have not participated in the determination of our Prices and they exclude all warranties, undertakings or representations (either express or implied) relating to your use of the Trading System, our Website or the Elements. Without limiting the foregoing, in no event whatsoever shall our third party providers be liable for any loss, regardless of whether they are aware of such loss and whether such liability is based on breach of contract, tort or otherwise.
- 6.2.6 Save in the event of our negligence, wilful default or fraud, we will not be liable for any loss or damage caused by a distributed denial-of-service attack, viruses or other technologically harmful material that may infect your computer equipment, computer programs, data or other proprietary material due to your use of the Trading System or Website or to your downloading of any material posted on it, or on any website (including our Website) linked to it.
- 6.2.7 Unless expressly stated otherwise in these Terms or the PDS, we are not responsible for reminding you or alerting you to any obligation or liability that you may have under the Agreement. Where we do make or provide any such reminders or alerts to you, this is done entirely at our sole discretion and does not represent any obligation or commitment on our part to make or provide any such reminders or alerts to you in the future.

7 OUR RIGHTS IN CERTAIN CIRCUMSTANCES

7.1 Specified Event.

7.1.1 Should a Specified Event occur, be reasonably likely to occur, or when we become aware of a Specified Event, we may take a Reserved Action, provided it is fair and reasonable in the circumstances (see clause 7.3).

7.2 **Circumstances Outside Our Control.**

7.2.1 Any failure by us to perform our obligations under the Agreement caused by a Circumstance Outside Our Control will not be a breach of the Agreement.

7.2.2 If we reasonably determine that there is a Circumstance Outside Our Control, we will give you notice of this as soon as it is practicable and in accordance with Applicable Law. We will use reasonable endeavours to resume our provision of the Trading System, our services and/or performance of our obligations under the Agreement as soon as possible. Where it is fair and reasonable to do so, we may take an appropriate Reserved Action.

7.2.3 Where we are able to resume provision of the Trading System services and/or performance of our other obligations under the Agreement following a Circumstance Outside Our Control:

- (b) we may act on any instructions to transmit any Order in relation to a Trade received immediately before the Circumstance Outside Our Control, provided it is possible to do so; and
- (c) you are responsible for re-instating or cancelling any Orders affected by a Circumstance Outside Our Control.

7.3 **Reserved Actions.**

7.3.1 If we are required to do so under Applicable Law, or a Specified Event or Circumstance Outside Our Control occurs or is reasonably likely to occur, or we have serious grounds or valid reasons for doing so, we may in our sole discretion take any action, including any Reserved Action, that is fair and reasonable in the circumstances.

We may give you less than ten (10) Business Days' notice if the amendments to the Agreement are required in order to comply with Applicable Law. If you do not accept the amendment, you will be free to close your Account and/or terminate the Agreement in accordance with clause 8.5 before the amendment takes effect.

8.2 **Amendments to Margin Rates, Margin requirements and Close-Out Level.**

8.2.1 We may from time to time make amendments to Margin Rates, other Margin requirements, and/or Close-Out Level. We will, where possible, provide you with:

but we reserve the right to make any amendment under this clause 8.2.1 on shorter notice or without any notice, where it is reasonable to do so.

8.2.2 Following any amendment to Margin Rates, other Margin requirements, and/or Close-Out Level, it is your responsibility to ensure that you have sufficient Account Value and/or reduce your Positions to satisfy your obligations to us under the Agreement.

8.3 **Amendments to Prices, Rates and other Attributes.**

8.3.1 We will amend Prices, Rates and Attributes through the Trading System in real time and such amendments will take effect immediately as and when they are made, even if they are not displayed on the device that you use to access the Trading System.

8.3.2 Where we notify you of a change to a limit in relation to an Attribute, you may be required to close any affected Trade within three (3) Business Days.

8.4 **Removal of Products.**

8.4.1 We may, at any time and in our sole discretion, remove any Products from the Trading System and/or remove your ability to place Trades in respect of a particular Product from an Account. If you have a Trade in any relevant Product being removed, we will use reasonable endeavours to provide you with at least ten (10) Business Days' notice in which to close any Trade that you may hold on such a Product. However, we reserve the right to provide a shorter notice period or no notice at all.

8.4.2 It is your responsibility to cancel any Pending Orders and close any Trades in respect of a Product that is being removed in accordance with clause 8.4.1 at the time and in the manner specified in the notice. If you do not do this, we will do so.

8.4.3 Subject to clause 8.4.2, we may set any Product that is being removed in accordance with clause 8.4.1 to Reduce Only.

8.5 **Closing your Account or terminating the Agreement.**

8.5.1 Subject to clause 5.2.8, you may close your Account by giving us notice in writing. If you do not cancel any Pending Orders, close any Trades on your Account or withdraw any money due to you before giving us such notice of termination, we will cancel any Pending Orders and close any Trades as soon as possible after we receive your notice and then attempt to return any money due to you, but there may be a delay in doing so.

8.5.2 We may close any Account by giving you notice in writing. Subject to clause 8.5.3, this will take effect on the date specified in such notice being no less than ten (10) Business Days after the date of the notice. Unless our notice of termination specifies otherwise and/or we have set your Account to Unauthorised to Trade, you will be allowed to cancel any Pending Orders and/or close any Trades during the time between: (i) when we give you the notice; and (ii) when your Account is due to close in accordance with the notice. If you do not do this or giving you notice is not possible, we will cancel any Pending Orders and close any Trades on your Account and then attempt to return any money due to you.

- 8.5.3 If we have serious grounds or valid reasons for doing so, we may terminate the Agreement or set an Account to Reduce Only or Unauthorised to Trade with less than ten (10) Business Days' notice, including immediately. We will cancel any Pending Orders and close any Trades on your Account at the time and in the manner specified in the notice.
- 8.5.4 Unless otherwise agreed, the Agreement will automatically terminate following the closure of all of your Accounts by you or us. When you or we close an Account and/or the Agreement terminates we may exercise any right that we have to make a Deduction or to exercise our right of Set-Off.

9 ORDER EXECUTION POLICY

9.1 Summary

- 9.1.1 This section sets out a summary of CMC Markets' order execution policy in respect of its Accounts (**OEP**).

9.2 Key points.

- 9.2.1 The MT4 Platform is licensed to CMC Markets by MetaQuotes Software Corp ("MetaQuotes"), a third party entirely unconnected to CMC Markets. We use the MT4 Platform's order management and order triggering software in conjunction with our Prices and Order execution. The MT4 Platform is a standalone trading platform from our other trading platforms.
- 9.2.2 CMC Markets is the sole execution venue for your Orders. This means that your Orders are executed via a bilateral transaction with us as the counterparty to your trades, through the Trading System and not through a transaction on any Trading Venue or other external execution venue. We will not use any other execution venues to execute your Orders.
- 9.2.3 The Trading System is fully automated for pricing and Order execution. CMC Markets rely on MetaQuotes' software to provide us with Order data, including Pending Orders. In the event of differences between the Back Office Platform and the MT4 Platform, we will take all reasonable steps to reconcile the difference as appropriate.
- 9.2.4 Our Prices are electronically generated by the Trading System, and such Prices may be different to prices generated by Trading Venues, other markets, execution venues/providers or CMC Markets' other trading platforms.
- 9.2.5 By placing an Order, you are giving the Trading System an instruction to place that Order on your Account on the basis of the Prices generated by the Trading System. Please see our Website for further details on how your Orders are placed and executed, as well as further details on pricing.
- 9.2.6 As a result of rapid price movements, the Price at which the Trading System executes an Order for a Trade may be less favourable to you than the Price displayed on the Trading System when you place the Order..
- 9.2.7 An Order will only be deemed to be received by the Back Office Platform at the time at which the Back Office Platform actually receives it, which may not be immediately after you submit that Order in the MT4 Platform.
- 9.2.8 It is possible that before the Back Office Platform receives a Limit Order, Take Profit Order, Stop Order or Stop Loss Order from the MT4 Platform, numerous Price updates will have occurred, see clause 9.3.2 for more detail.
- 9.2.9 Where you have appointed an introducing broker, discretionary investment manager or similar person as an Authorised Person to act on your behalf and that person also acts on behalf of other clients of CMC Markets, the Authorised Person may decide to place a single, aggregated order for Trades for multiple clients in respect of a Product and then allocate a portion of that order to

you to represent your Order. We are not responsible for the aggregation and allocation of such orders, and such aggregation and allocation may operate to your disadvantage.

9.3 How the Trading System handles the different types of Orders.

9.3.1 This section provides information on the different types of Orders.

9.3.2 Orders listed below are managed and triggered in the MT4 Platform and executed by CMC Markets.

Market Order The Trading System will execute a Market Order to sell at the first available Bid Price and a Market Order to buy at the first available Ask Price, and will do so as soon as possible after the Order is accepted, provided the Market Order is made during Trading Hours and that the Platform is available at the time the Market Order is made.

Limit Order / Take Profit Orders A Limit Order or Take Profit Order to buy at a Target Price will be executed at the Target Price or lower, when the Ask Price is equal to or lower than the Target Price.

A Limit Order or Take Profit Order to sell at a Target Price will be executed at the Target Price or higher, when the Bid Price is equal to or higher than the Target Price.

Stop Order / Stop Loss Order A Stop Order or Stop Loss Order to buy at a Target Price will be executed when the Ask Price is equal to or higher than the Target Price and will be executed at the first available Ask Price at the time the Trading System executes the Order or at the target price if the first available Ask Price is lower than the Target Price.

A Stop Order or Stop Loss Order to sell at a Target Price will be executed when the Bid Price is equal to or lower than the Target Price and will be executed at the first available Bid Price at the time the Trading System executes the Order or at the target price if the first available Bid Price is higher than the Target Price.

Stop Orders and Stop Loss Orders are not guaranteed and may be subject to gapping. It is not possible to attach guaranteed stop loss orders to Positions on the Trading System.

Trailing Stop A Trailing Stop is an algorithm that manages Stop Loss Orders.

A Trailing Stop will automatically place a Stop Loss Order on a Trade once that Trade is in profit by at least the points value of the Trailing Stop (e.g. if the value of the Trailing Stop is 15 points then the Trade will need to be in profit by at least 15 points for the Stop Loss Order to be placed). Subsequently, if the Trade becomes more profitable the Trailing Stop will adjust the Stop Loss Order to keep the distance from the Price of the Stop Loss Order equal to the points value of the Trailing Stop. The Stop Loss Order will be executed as described above.

A separate Stop Loss Order can be placed on a Trade alongside a Trailing Stop. In this scenario, as only one Stop Loss Order can exist on a CFD Margin Trade at a time, once the Trailing Stop is activated it will adjust the previous separately placed Stop Loss Order.

Important:

If multiple Trades in the same Product have a Trailing Stop associated with them, only the most recent Trailing Stop to be activated is adjusted.

A Trailing Stop will only work whilst you remain logged in to your MT4 Account and the MT4 Platform and are connected to the internet.

9.3.3 Opening a new Trade in the opposite direction to an existing Trade will not close the original Trade as there is no netting in place on Trades placed on the Trading System.

9.3.4 You cannot open, amend or close Orders on the Back Office Platform. You must use the MT4 Platform to trade with CMC Markets. To view your Orders, you must log in to the MT4 Platform.

9.3.5 The Back Office Platform will display all your open Trades and Positions. However, any attached Orders will not be displayed in the Back Office Platform.

9.3.6 The Trading System does not check available funds when a Pending Order is placed. If you do not have funds to cover the Order at the time of execution, the Pending Order will be cancelled.

9.4 **Factors we consider when determining best execution.**

9.4.1 When executing Orders, we will take all sufficient steps to obtain the best possible result for you taking into account the type of financial instrument the Order relates to, and other execution factors.

9.4.2 We will take into account the following execution factors when executing your Order, ranked in order of importance from highest to lowest:

- (a) Price;
- (b) other costs including the Currency Conversion Rate;
- (c) speed of execution;
- (d) likelihood of execution and settlement; and
- (e) size of your Order.

9.5 **Prices generated by the Trading System.**

9.5.1 The best possible result when executing your Order will be determined in terms of the total consideration (i.e. the price of your Order and costs related to execution).

9.5.2 The Prices of Products are generated electronically by the Trading System. These Prices will take into account market data from various sources, in order to enable us to check whether our Prices are fair and we are delivering on our best execution obligation. However, Prices may not match prices that you see elsewhere (including prices quoted on Trading Venues or by other providers). Prices include our reasonable Margin.

9.5.3 Market fluctuations and technical conditions, in addition to Circumstances Outside of Our Control, may mean that the Prices you see on your device when you place an Order may not be identical to the Price at which the Trade is executed. If changes occur in the applicable Price between the time an Order is placed by you and the time the relevant Order is received by us or the Order is executed or settled by the Trading System, the Order is generally executed at (or by reference to) the Price when the Order is executed or by the Trading System. This may either be to your advantage or disadvantage.

9.5.4 There will be times when circumstances may prevent the Trading System from generating Prices or affect the Prices being generated. Please refer in particular to clauses 4.2 ("Accessing the Trading System") and 7.2 ("Circumstances Outside Our Control") as well as the PDS for more information.

9.5.5 Please refer to the 'Our Pricing' section of the Website for further information on pricing.

9.6 **Currency Conversion Rates generated by the Trading System.**

9.6.1 When you enter into Trades or place Orders with us, all calculations will be undertaken in the currency in which the relevant Product is denominated, the Product Currency, before being

converted into your Account Currency at the Currency Conversion Rate and applied to your Account.

9.6.2 As with Prices, the Currency Conversion Rate for any particular currency pair is generated electronically by the Trading System and may not match currency conversion rates that you see elsewhere (including official currency conversion rates).

9.6.3 Where relevant, we will provide you with the Currency Conversion Rate used to convert amounts in a Product Currency into your Account Currency.

9.7 **Size, speed and likelihood of execution.**

9.7.1 The Trading System executes Orders on an automated basis and does not rely on any manual intervention or dealing.

9.7.2 The Trading System will, apart from in a limited number of exceptions, execute Orders as soon as practicable following receipt. The Trading System will only execute Orders during Trading Hours.

9.7.3 The Trading System will accept or reject Orders or the modification of Pending Orders in accordance with their respective Attributes, the PDS and these Terms, including if any applicable limits would be breached and/or you have or would have an insufficient Account Value to cover your Margin, where your Account Value is below the applicable Close-Out Level or you have insufficient Cash to pay any Commission or other premium (if applicable).

9.7.4 If the Trading System has accepted an Order, there may still be circumstances which prevent or otherwise affect the execution of an Order, for instance, where doing so would breach any applicable limit where market restrictions apply, where you have or would have an insufficient Account Value to cover your Margin, where your Account Value is below the applicable Close-Out Level or any circumstance under clauses 4.2 ("Accessing the Trading System") and 7.2 ("Circumstances Outside Our Control") as well as the PDS.

9.7.5 The Trading System automatically takes into account the size of your Orders at the point of execution.

9.8 **How your Trades are closed without instructions from you.**

9.8.1 There are some circumstances where the whole or a portion of your Trades will be closed without instructions from you. This includes where Account Close-Out occurs, where you fail to reduce any Position to below the applicable limit within the relevant time limit specified by us or where we exercise our rights to close your Trades.

9.8.2 Unless closed by you or us beforehand, any Trade will be closed and settled by the Trading System automatically at the time and date of expiry on a Forward (and any Pending Order will also be cancelled on this basis).

9.8.3 If your Account falls below the Account Value, the Trading System will initiate a full Account Close-Out and will close all Trades in Products that are currently pricing at the prevailing price when the liquidation orders are received.

9.9 **Specific instructions.**

9.9.1 Your Orders can only be executed on the Trading System and/or through our client management team. Any instruction to execute your Order on a different execution venue will lead to rejection of your Order.

9.9.2 If you provide us with instructions on how to execute your Order, complying with those instructions may prevent us from taking the steps that we set out in this Order Execution Policy

Summary to obtain the best possible result for the execution of your Order. In those circumstances, our execution in accordance with your instructions will be deemed best execution.

9.10 **Monitoring and review.**

- 9.10.1 We will regularly monitor and review our policies and procedures and associated arrangements in order to ensure we comply with our regulatory obligations, making appropriate amendments if necessary.
- 9.10.2 You can find our most recent execution quality data on our Website.
- 9.10.3 We will notify you in writing of any material changes to this document.

- 5.3 An Order will only be deemed to be received by the Back Office Platform at the time at which the Back Office Platform actually receives it, which may not be immediately after you submit that Order in the MT4 Platform. A record of any executed or rejected Orders can be accessed through the Trading System.
- 5.4 Subject to the provisions of this Schedule 1, you and/or we may modify or cancel any Pending Order at any point until that Order has been executed.

- 5.5 If your Account has insufficient Available Equity to meet the relevant Margin requirements for that Order, we will not execute that Order.

- Limits on your Trades.*
- 8.2 Various Product limits will apply to your Orders. If, at the time an Order would otherwise be executed, the execution of that Order would result in a breach of a limit relevant to that type of Order, the Order will be automatically rejected.
- 8.3 Where the acceptance of a Pending Order or modification of an existing Pending Order would result in a breach of a relevant limit, the relevant Order or modification will be rejected by the MT4 Platform, save where agreed otherwise between you and our client management team.
- 8.4 In addition, an Account may be subject to a limit restricting the number of Trades and Positions that could result in opening a new Position or Trade on the Account at any time. This limit is set by us in our sole discretion. We are entitled to vary such a limit at any time in accordance with clause 8.3 of these Terms.

You must ensure that for each Account your Account Value is at all times above the applicable Close-Out Level for your Account displayed on the Trading System. Where your Account Value is less than the applicable Close-Out Level, the MT4 Platform will automatically initiate Account Close-Out. Further details on the Close-Out Level for your Account, can be found on the Back Office Platform. Account Close-Out does not and is not intended to limit your entire liability to us in respect of your Trades.
