

CMC Markets appoint Dário Nascimento as Principal Transformation Engineer for Asia-Pacific Region

Sydney, Australia – 1 July 2021 – CMC Markets, is a leading global provider of online trading and institutional platform technology, is delighted to announce the appointment of Dario Nascimento as Principal Transformation Engineer for CMC Markets Asia Pacific, supporting the rollout of new products and initiatives to the regional market.

The appointment is testament to CMC Markets' ongoing investment in technology to ensure continued focus on client experience enabling the business to roll out new products and services rapidly whilst maintaining scale.

Nascimento's role within CMC Markets will involve leading the cloud transformation program throughout APAC ensuring the business' technology remains at the forefront of the sector.

Dario Nascimento, Principal Transformation Engineer, said: "I am thrilled to be joining CMC Markets, leading the Cloud Transformation program in the APAC region. This is a unique opportunity to help businesses and people use technology to invest better."

Nascimento was previously held the role of Lead Staff Engineer, where he was vital to the development of an application container platform on Amazon Web Services (AWS) and, creation and growth of the Cloud and Open Banking transformation at Commonwealth Bank of Australia (CBA).

Matt Lewis, Head of Asia Pacific and Canada at CMC Markets, said "over the last 12 months' we've experienced a rise of new and exciting customer challenges and requirements. We've witnessed the next generation of retail traders demanding leading technology and innovation at their fingertips, and as such Dario's appointment is our latest commitment to providing our growing customer base with the tools for success."

Brendan Foxen, Global Chief Technology Officer, said: "Dario's background will drive the APAC stream of CMC Markets' global transformation programme. As the second largest retail stockbroker, which is constantly innovating and responding to customer demands, I'm excited to see the outcomes I know Dario will deliver".
