Subject to Clause 13, the Eligible Customer provides Relevant Documentation within the Offer Period to the satisfaction of CMC Markets that he/she is designated as a premium, priority or VIP client holding a live and unrestricted account with a Relevant Brokerage. For the avoidance of doubt, if an Eligible Customer submits an Account application or provides Relevant Documentation during the Offer Period but such Account application or Relevant Documentation is accepted or verified after the end of the Offer Period, the Eligible Customer may still be eligible for the Privileges and notified in accordance with Clause 14 below.

10. Eligible Customers may also satisfy the following additional criteria ("**Additional Criteria**") to become eligible for bonuses under the "Welcome Bonus" Offer. Please refer to https://www.cmcmarkets.com/en-sg/lp/sg-welcomebonus-apr for more details.

    a. "**Relevant Brokerage**" shall mean a reputable brokerage firm that (i) is duly licensed and holds a capital markets services license with the Monetary Authority of Singapore; and (ii) is considered by CMC Markets, in its sole and absolute discretion, to have satisfactory business reputation, operational history and market standing;

    b. For the avoidance of doubt, Trading Credits cannot be used to offset Commissions, Holding Costs, any price adjustments from corporate actions or fees from GSLOs;

    d. "**Turnover**" shall mean the accumulated trading notional value; and

    e. "**Unique Referral Link**" means the unique website link which is made available in respect of the Offer to Eligible Customers via the CMC Markets website.

Documentation submitted is true, accurate and authentic; (ii) the Eligible Customer has the authority and all relevant consents (if any) to provide the Relevant Documentation to CMC Markets; and (iii) all Turnover was lawfully accumulated by the Eligible Customer's trading activity in his/her live and unrestricted account with a Relevant Brokerage. CMC Markets shall determine, in its sole and absolute discretion, whether the Relevant Documentation submitted by the Eligible Customer is authentic and genuine and CMC Markets may request for any additional Relevant Documentation where it deems necessary. CMC Markets has the right to reject any Relevant Documentation which it believes to be altered, incomplete, inauthentic, inconsistent, fraudulent or unverifiable.

14. CMC Markets will notify Eligible Customers who satisfy the Criteria via email within ten (10) Business Days of satisfying the Criteria (or such other time period as determined by CMC Markets) ("**Successful Participant**"). CMC Markets is not obligated to contact any Eligible Customers who do not satisfy the Criteria.

15. All Eligible Customers have the sole responsibility of monitoring their registered emails. Failure by any Successful Participant to acknowledge his/her entitlement to the Privileges within one (1) week of such notification in Clause 14 will result in the forfeiture of their entitlement to the Privileges. CMC Markets reserves the right to deal with any unclaimed Privileges in any manner in its sole and absolute discretion.

ALPHA Client Status

16. Each Successful Participant's ALPHA Privileges will begin on the day after the Successful Participant's acknowledgement of the notification from CMC Markets pursuant to Clause 14 (or on such other date as determined by CMC Markets in its sole and absolute discretion). Unless otherwise specified by CMC Markets, the ALPHA Privileges will only be available to Successful Participants for the duration of three (3) months.

17. Successful Participants may maintain their ALPHA Privileges by becoming an ALPHA client with CMC Markets. CMC Markets will assess a Successful Participant's Account trading activity and determine whether he/she is eligible to become an ALPHA client with CMC Markets. In making such determination, CMC Markets may take into account such factors as it considers relevant, including, without limitation, whether the Successful Participant has demonstrated trading activity broadly consistent with the indicative minimum monthly trading volumes as detailed on the CMC Markets website. Satisfaction of the Criteria does not guarantee that a Successful Participant automatically becomes an ALPHA client with CMC Markets. Following its assessment, CMC Markets will notify a Successful Participant of its determination as to whether he/she qualifies as an ALPHA client. ALPHA client status is not permanent and does not mean a continuing entitlement to the ALPHA Privileges. Any individual's status as an ALPHA client is subject to CMC Markets' ongoing review on a regular basis in its sole and absolute discretion. CMC Markets may, based on such review, maintain or cease the ALPHA client status of any individual.

18. CMC Markets does not guarantee the availability of any ALPHA Privileges.

Trading Credits Conditions

19. All Trading Credits will be credited into the Account of a Successful Participant within 10 (ten) Business Days after a Successful Participant's acknowledgement of the notification from CMC Markets pursuant to Clause 14 (or on such other date as determined by CMC Markets in its sole and absolute discretion).

20. All remaining Trading Credits will automatically expire 30 calendar days from the date of the crediting of such Trading Credits, unless otherwise expired, removed or cancelled in accordance with these Terms. CMC Markets shall be entitled to remove such Trading Credits from any Account without prior notice.

21. Unless expressly stated in these Terms or agreed to by CMC Markets, a block will be placed on a Successful Participant's Account to restrict the Successful Participant's ability to withdraw the value of his/her Trading Credits, ("**Withdrawal Block**"). Unless expressly agreed to by CMC Markets, the Withdrawal Block will be lifted upon the full use or expiry of the Trading Credits of each Successful Participant.

22. The expiry and deduction of any Trading Credits from any Account will lower a Successful Participant's Account Value. It is each Successful Participant's responsibility to ensure that his/her Account has sufficient Account Value to meet the relevant Margin requirements. Any failure to do so may result in Account Close-Out.

Others

23. The Privileges are non-transferable, non-refundable and non-exchangeable for cash, credit, goods or benefits-in-kind with CMC Markets, unless otherwise agreed to by CMC Markets. CMC Markets may at any time and without prior notice in its sole and absolute discretion and without assigning any reason, substitute the Privileges with any other item.

24. All Successful Participants agree and acknowledge that it is their responsibility to ensure that all Privileges are utilised in accordance with the relevant terms and CMC Markets is not liable to make any payment or offer any compensation if they do not receive the full benefit of any Privilege as a result of their failure to do so.

25. Some Privileges may be redeemable through independent third-parties not associated with CMC Markets or any other company within CMC Markets' group. The Privileges are provided on an "as-is" basis and CMC Markets makes no warranty or representation in relation to the Privileges, including but not limited to the Privileges being fit for any particular purpose. CMC Markets expressly disclaims all liability and shall not be held in any way liable in respect of the use of the Privileges.

Legal

26. The Offer is only available once for each Eligible Customer and does not extend to the same Eligible Customer participating across multiple Accounts. In the case of a joint account held by an Eligible Customer, the joint account will only receive one (1) set of Privileges. An Eligible Customer is not permitted to transfer his/her Trading Credits between his/her multiple Accounts.

27. Each person who takes part in the Offer is responsible for any and all taxes payable (if any) as a result of any Privileges being awarded, received or accepted.

28. In addition to any other rights and remedies available to CMC Markets, CMC Markets reserves the right to forfeit, withhold and/or withdraw any Privileges (whether in part or in whole) or where any Privileges have been awarded, reclaim and/or deduct any Privileges (even as a debt) where, in CMC Markets' sole and absolute discretion, (1) actions or transactions were made or suspected to be made by the Eligible Customer to manipulate or abuse the Offer, Eligibility Criteria, the Criteria and/or the Additional Criteria (including but not limited to wash trading, generating manipulated or artificial trades or producing altered, incomplete, inauthentic, inconsistent, fraudulent or unverifiable documents); (2) the Eligible Customer has breached or is likely to breach, any law, regulation or licensing requirement; (3) CMC Markets suspects any non-compliance by any Eligible Customer with these Terms or the TOBs; (4) there is any misrepresentation or inaccuracy by any Eligible Customer about the proper satisfaction of the Eligibility Criteria, the Criteria and/or the Additional Criteria; (5) the Eligible Customer engages or purports to engage in any act or be involved in any circumstances that are intended or may reasonably be expected to harm the reputation, business prospects or operations of CMC Markets; or (6) the continuation of this Offer or the Eligible Customer's conduct in relation to this Offer would constitute a violation of any existing or future laws, regulations or regulatory frameworks which CMC Markets is subject to. Upon the occurrence of any of the aforementioned events in this Clause, no person shall be entitled to any payment or compensation from CMC Markets.

29. A failure by CMC Markets to enforce any provision of these Terms in any instance(s) will not give rise to any claim by any person or prevent CMC Markets from taking enforcement action later.

30. The Offer should not form the basis of any decisions made in relation to any potential trading activity, CFD Margin Trade, Option CFD or Countdown or Account activity. Furthermore, this Offer shall not be construed to limit any individual's liability in respect of any trades, CFD Margin Trade, Option CFD or Countdown and may not be used to set-off any payment obligations towards CMC Markets.

31. CMC Markets retains the right to withdraw or amend the Offer and these Terms at any time, without prior notice and in its sole and absolute discretion.

32. This Offer must only be used for personal and non-commercial purposes. Any

CMC Markets and its respective officers, employees, advisers, affiliates and agents will not be liable to any individual in relation to the Offer (including for any losses arising as a result of use of the Offer) and the provisions of clauses 7.3 of each of the TOBs (as the case may be) shall apply to the Offer as if set out here in full.
