Interpretation of these Terms

1. Capitalised terms used but not defined herein have the meaning given to them in the Terms of Business. References to the Terms of Business below shall be construed accordingly. Except as may be varied below, the Terms of Business apply to this Rewards+ Scheme.

Who can receive our Rewards+ Scheme benefits?

2. To qualify as an Eligible Client for the Rewards+ Scheme, you must have an existing Next Generation trading Account with CMC Markets.
3. CMC Markets reserves the right to refuse to provide the Rewards+ Scheme to an Eligible Client, or to withdraw the provision of the Rewards+ Scheme and Trading Discount(s) to any Eligible Client, in its sole discretion without prior notice and without giving any reason for doing so.

How our Rewards+ Scheme works

4. Subject to these Terms, an Eligible Client can earn Trading Points every time they place a CFD Margin Trade with CMC Markets. Trading Points will not be earned on entering into a Countdown with CMC Markets. Trading Points will be accumulated throughout a single calendar month and an Eligible Client will receive Trading Discounts, depending on the Tier achieved. An Eligible Client will earn a varying number of Trading Points with CFD Margin Trades placed across instrument types at certain trade sizes, as set out in the table on our Website, accessible [here](#).
5. An Eligible Client will receive Trading Discounts on spread on CFD Margin Trades placed through the Next Generation Platform only according to the Trading Points accumulated throughout the calendar month, as set out in a table on our Website, accessible [here](#).

For the avoidance of doubt, Trading Discounts will not be applied to spread on trades placed through the MT4 Platform.

6. On the last day of each calendar month, at 10pm London local time, the Trading Points balance resets to zero and the Tier level and Trading Discount of the Eligible Client carries over to the following calendar month. Achieving a higher Tier will earn higher Trading Discounts.

Example

If at the end of January an Eligible Client achieves Tier 4 status, in February the Eligible Client's Trading Points balance will reset to zero and the Eligible Client will continue to receive Tier 4 Trading Discounts for all Trades placed in February.

7. If an Eligible Client does not accumulate the required Trading Points to maintain the Eligible Client's current Tier status, the Eligible Client will lose that Tier status and the associated Trading Discounts.
8. An Eligible Client will never drop more than one (1) single Tier between two (2) calendar months.

Example

An Eligible Client receives Tier 4 Trading Discounts for the month of February due to the Trading Points accumulated in January. However, the Eligible Client does not accumulate the required Trading Points in February to maintain Tier 4, and as a result, the Eligible Client would drop a single Tier and receive Tier 3 Trading Discounts in March.

9. The Rewards+ Scheme will not be applied in respect of any CFD Margin Trades that are subsequently voided, reversed or cancelled by CMC Markets in accordance with the Terms of Business and related documentation. If the Rewards+ Scheme has already been applied in respect of any CFD Margin Trades that are subsequently voided, reversed or cancelled by CMC Markets, CMC Markets will reverse the Rewards+ Scheme Trading Discounts and Trading Points applied in respect of such CFD Margin Trades from an Eligible Client's Account.
10. If an Eligible Client no longer wishes to participate in the Rewards+ Scheme, they may notify CMC Markets via email at info@cmcmarkets.com.sg and our Client Management team will disable the Rewards+ Scheme as soon as reasonably practicable thereafter. Once an Eligible Client has successfully opted out of the Rewards+ Scheme, they will need to email our Client Management team at info@cmcmarkets.com.sg should they wish to opt back in.

17. The Rewards+ Scheme should not form the basis of any decisions an Eligible Client makes in relation to the Eligible Client's Account activity. Furthermore, the Rewards+ Scheme is not intended to limit an Eligible Client's liability in respect of the Eligible Client's CFD Margin Trades and may not be used to set off any payment obligation the Eligible Client has to us.

19. The Rewards+ Scheme is subject to, and contingent upon, an Eligible Client's compliance with the Terms of Business. In addition to any other rights and remedies we may have, any breach or suspected breach of the Terms of Business will entitle CMC Markets to stop providing the Rewards+ Scheme immediately and without prior written notice, and/or to reclaim Rewards+ Scheme Trading Discounts or Trading Points previously applied pursuant to these Terms.
20. All trading across all Accounts, with the exception of trading Countdowns, will contribute towards an Eligible Client's Trading Points balance, provided the Eligible Client has used the same email address across all its Accounts.

These Terms and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with them shall be governed by, and construed in accordance with, the laws of Singapore.
