## Offer Period

6. The Offer is open from 11 January 2021 and remains open until further notice by CMC Markets at its sole discretion ("**Offer Period**").

## The Offer

7. The Offer entitles an Eligible Customer to receive a bonus based on the amount of their first deposit ("**Bonus**"). Please see the below table for further information on the requirements to receive one of the three Bonuses. All amounts are in CAD or the equivalent value in the Account's nominated currency.

First Deposit	Turnover threshold	Bonus
1,000 – 4,999.99	1,250,000	200
5,000 – 19,999.99	6,500,000	1,000
20,000 or more	25,000,000	4,000

8. The Bonus will be deposited into the Eligible Customer's Account within two Business Days from the date the first deposit is made and may be used towards trading.
9. The Eligible Customer must disclose the unique promotional code during the application process.
10. The first deposit must be made into the Account within 30-calendar days from the date the Account is opened.
11. If no Trade is placed within 30-calendar days from the date that the Bonus is credited, the Bonus shall expire and shall be deducted from the Account.
12. If a period of 30-calendar days lapse between trading activity i.e. placing a trade or holding an open position, the remaining Bonus shall expire and may be deducted from the Account.
13. The Bonus will not be available to withdraw (i.e. included within your Account Value) until your Account has accumulated Trades that meets the required trading turnover threshold as outlined in the above table (based on your first deposit). If you do not reach the required trading turnover threshold by 31 December 2021, the Bonus shall expire and may be deducted from the Account.

14. We will monitor your Trades on your Account so that when the threshold is reached, we will adjust the Account Value accordingly. You can contact our Client Management Team at any time for confirmation of your Account Value in respect of the threshold, as this information is not available on the Platform.
15. The Bonus will not be payable in respect of any Trades that are subsequently voided, reversed or cancelled by CMC Markets in accordance with the ToBs. If the Bonus has already been paid in respect of any Trades that are subsequently voided, reversed or cancelled by CMC Markets, CMC Markets may deduct the Bonus paid in respect of such Trades from your Account.
16. The Bonus payment does not represent a commitment to make further payments in the future.
17. The Bonus payment cannot be used to satisfy your total margin requirement, until such time that you meet the trading turnover threshold requirement and following which, the Bonus is added to your Account Value. Please note that normal rules and procedures in relation to an Account Close-Out will continue to apply and you should not rely on a Bonus payment to prevent an Account Close-Out.
18. The Bonus is subject to, and contingent upon, your compliance with these Terms and the ToBs. In addition to any other rights and remedies we may have, any breach or suspected breach of these Terms and/or the ToBs will entitle us to deduct the Bonus immediately and without prior written notice, and/or reclaim payments previously paid pursuant to these Terms.
19. Each person who successfully takes part in the Offer is responsible for any and all taxes payable (if any) as a result of this Offer being awarded, received or accepted.
20. A failure by CMC Markets to enforce any of these Terms in any instance(s) will not give rise to any claim by any person or prevent CMC Markets from taking enforcement action later.
