

## MONTHLY TRADING REBATE TERMS AND CONDITIONS

### CMC Markets Singapore Pte. Ltd. (“CMC Markets”)

1. These terms and conditions are amended and restated effective from 10 December 2025 and are to be read in conjunction with CMC Markets’ Terms of Business – Next Generation and/or CMC Markets’ Terms of Business – MT4 (as applicable) and all related legal documents. References to “Terms of Business” shall mean either or both of them. Unless defined in these terms and conditions, capitalised terms have the meaning set out in the relevant Terms of Business. The Multi-Asset Rebate Schedule as may be made available on our Website from time to time (“**Schedule**”) sets out the mechanics by which the rebates hereunder will be calculated and credited and is hereby expressly incorporated into and forms a part of these terms and conditions.
2. For each calendar month that we offer the rebate to you, we will calculate the total value of eligible trades that you place within the relevant asset class(es) on the Platform and as specified in the Schedule during that month. Rebates will not be awarded in respect of any trades that are subsequently voided, reversed or cancelled by CMC Markets in accordance with the Terms of Business, and such ineligible trades will not be counted towards calculating your turnover in determining your tier Level. Following the end of that calendar month, we will credit your Account with a rebate amount calculated in accordance with these terms and conditions and the Schedule.
3. Rebates will be calculated daily in US Dollars in accordance with the Schedule, converted to your Account Currency using CMC Markets’ prevailing foreign exchange rate determined in its sole and absolute discretion and credited to your Account during the month following the calculation period. Notwithstanding the foregoing, the rebates hereunder shall only be due and owing at the point of crediting by CMC Markets in its sole and absolute discretion.
4. CMC Markets reserves the right to withdraw the rebate program or amend these terms and conditions (including the Schedule) at any time without notice and at its sole and absolute discretion. Payment of any rebate does not represent a commitment to provide a rebate in the future.
5. All rebates payments shall be inclusive of any value added taxes or similar consumption taxes as applicable.
6. CMC Markets will not be liable for any (direct or indirect) loss caused by a missed or delayed rebate payment, or for any losses incurred by you as a result of your trading in relation to the rebates. Payment of a rebate should not form the basis of any decisions you make in relation to your Account.
7. Rebates are not intended to limit your liability in respect of your trades and may not be used to set-off any payment obligation(s) you have to us.
8. Until a rebate has been credited to your Account, such rebates cannot be used to satisfy your total Margin requirements. Please note that normal rules and procedures in relation to Account Close-Out will continue to apply and you should not rely on a rebate to prevent an Account Close-Out.

9. CMC Markets reserves the right to cancel, reclaim or prevent withdrawal of any rebate payments where, in CMC Markets' sole and absolute discretion, transactions are made to manipulate the rebate process and/or there is any actual or suspected non-compliance with these terms and conditions and the Terms of Business.
10. Nothing in these terms and conditions limits CMC Markets' ability to exercise its rights in accordance with the Terms of Business.
11. CMC Markets' decisions in any matter in relation to the rebates hereunder will be final and conclusive. All valuations and calculations for the purposes of the rebates hereunder will be determined by CMC Markets and are final and binding.
