

1. Introduction.

This Price List only applies to trades executed directly between you and CMC Markets. This Price List does not apply to any client who has been referred by a third party.

- 1.1 Capitalised words and expressions in this Price List have the meanings set out in our Terms of Business or in the relevant clause in which they appear.
- 1.2 CMC Markets Germany GmbH (hereinafter also referred to as "CMC Markets," "we," "us" and "our(s)") is committed to treating each client (hereinafter also referred to as "our client," "you" and "yourself") fairly.
- 1.3 In this Price List we provide you with information to help you understand the fees, costs and charges associated with trades on our Products and our services. You should take sufficient time to read this Price List and any other documents we provide to you, including our Terms of Business, Order Execution Policy, Risk Warning Notice and Consumer Information, together with the other information available on our Website and Platform.
- 1.4 For real-time information on costs, please refer to the Product Library for the relevant instrument (available on the Platform). We recommend that you review the Product Library so that you understand the relevant costs before entering into a trade with us. It is your responsibility to ensure that you have sufficient funds in your Account to pay any Amounts due to CMC Markets in full.
- 1.5 Any bespoke fees, costs and charges that might be offered by us to you individually in writing and agreed by you in writing will form part of the Agreement and clause 1.1.3 of the Terms of Business will be construed accordingly. For the purpose of this clause 1.5, "writing" includes communication by email. For the avoidance of doubt, special promotions, discounts or similar offers referred to in clauses 2.9, 4.5 and 4.10 of this Price List are not bespoke fees, costs or charges within the meaning of this clause 1.5.
- 1.6 You should not enter into any trades on our Products with us if you do not fully understand the fees, costs and charges associated with these Products. If in doubt, please contact our client services team (+49 (0) 69 22 22 440 44) and/or seek independent, expert advice.

2. Market data subscription.

- 2.1 If you wish to trade Products whose underlying is equities or if you wish to access market data for such Products, you must take out a market data subscription via the Platform.
- 2.2 There is a monthly fee (including tax) for this market data subscription which varies depending on the country/countries to which your share-CFD relates.
- 2.3 The monthly fee is converted into your Account Currency at the Currency Conversion Rate before being deducted from your Account.
- 2.4 If you have been classified as a Private Investor for market data purposes as defined in our Terms of Business, CMC Markets will reimburse the monthly market data fee for share-CFDs of a particular country in the following month, provided you have opened at least two (2) CFD Margin Trades on share-CFDs of that country in the relevant calendar month.
- 2.5 If you have been classified as a non-private investor for market data purposes (i.e. any client who is not a Private Investor), CMC Markets will reimburse the monthly market data fee for share-CFDs of a particular country in the following month, provided you have entered into at least five (5) CFD Margin Trades on share-CFDs of that country in the relevant calendar month.
- 2.6 You can terminate your market data subscription at any time provided you no longer have any open Positions or Pending Orders relating to shares in the relevant country. However, the market data fee for the current month will still be charged. If you do not have any open Positions or Pending Orders on your Account relating to shares of the relevant country on the first day of the following calendar month at midnight ("midnight" refers to each local stock exchange or exchange group), the market data subscription will end automatically.
- 2.7 Your market data subscription renews automatically when you have open Positions or Pending Orders on your Account relating to shares in the relevant country - regardless of your available capital. You are responsible for ensuring that your Account is sufficiently funded to pay the market data fee.
- 2.8 The monthly market data subscription fees will be deducted from your Account on the first day of each calendar month (or on the cut-off date of your market data subscription if you take out the market data subscription after the start of a calendar month).
- 2.9 Please see the tables* below for the market data fees we are permitted to charge Private Investors and non-private investors for market data information on any country. For the avoidance of doubt, as a result of special promotions, discounts or similar offers, actual market data fees may be lower (but not higher) than the maximum amounts specified in the tables below. We reserve the right to withdraw or amend such special promotions, discounts or similar offers in accordance with clause 3.1.1 of our Terms of Business and charge you up to the Amounts specified

in the tables* below following the expiry of any such special promotion, discount or similar offer. Subject to the preceding sentence, clause 9.3 of the Terms of Business will apply to market data increases.

3. Margin.

Position Margin

- 3.1 If you open a CFD Margin Trade or a Position with us, you must deposit money into your Account, which is known on the Platform as "Position Margin". Position Margin represents a percentage of the total value of the Position. Position Margin is not required for the portion of any CFD Margin Trade(s) or Position(s) covered by a GSLO, for which Prime Margin is required instead.
- 3.2 The Position Margin will be calculated using the applicable Margin Rate as shown on the Platform in the Product Library section of each Product. The applicable Margin Rate for certain Products will depend on the size of the Position or the tier the Position size falls under. The portion of the Position that falls within each tier is subject to the Margin Rate applicable for that tier, excluding any Positions covered by a GSLO.
- 3.3 The Margin Rates and Margin levels for long and short Positions are the same.
- 3.4 The Position Margin required at any given time is calculated as follows:

The sum of (portion of Position in relevant tier (in Units) x relevant Margin Rate for that tier, excluding any Units covered by a GSLO)* x Level 1 Mid-Price x Currency Conversion Rate

* (Units in tier 1 x tier 1 Margin Rate + Units in tier 2 x tier 2 Margin Rate + Units in tier 3 x tier 3 Margin Rate + Units in tier 4 x tier 4 Margin Rate + Units in tier 5 x tier 5 Margin Rate)

Example:

Margin Rates Company ABC		
Tier	Position size in Units (excluding number of Units covered by a GSLO)	Margin Rate
1	1–1,000	10%
2	1,001–3,000	15%
3	3,001–5,000	20%
4	5,001–10,000	30%
5	over 10,000	50%

Using the Margin Rates shown in the table above as an example, a Position of 6,500 Units in Company ABC using a Level 1 Mid-Price of €2.75 per Unit in the Account Currency Euro would require a Position Margin of €3,437.50 calculated as follows:

	Portion of the Position in each tier in Units (excluding the number of Units covered by a GSLO)	Margin Rate (%)	Units x Margin Rate set for each tier	Position Margin required
1	1,000	10%	1,000 x 10% = 100	1,250 x 2.75 € (Level 1 Mid-Price) x 1 (Currency Conversion Rate) = 3.437,50 €
2	2,000	15%	2,000 x 15% = 300	
3	2,000	20%	2,000 x 20% = 400	
4	1,500	30%	1,500 x 30% = 450	
5	0	50%	0	
Total	6,500 Units		Total = 1,250	

3.5 Please note that if you open a CFD Margin Trade that is covered by a GSLO, your Standard Margin (the sum of your Position Margin for all CFD Margin Trades not covered by a GSLO and your independent Margin at any given time) will be reduced accordingly.

3.6 The Position Margin Rate at any given time is calculated as follows:

$$\text{Position Margin Rate} = \frac{\text{Position Margin}}{\text{Sum of all Units of the Position} \times \text{Level 1 Mid-Price} \times \text{Currency Conversion Rate}}$$

Prime Margin

3.7 In respect of a portion of a CFD Margin Trade covered by a GSLO, the required Prime Margin will be calculated in real time as follows:

For a buy-CFD Margin Trade, the Prime Margin is:

Units in the GSLO x (Level 1 Mid-Price - Target Price) x Currency Conversion Rate

For a sell-CFD Margin Trade, the Prime Margin is:

Units in the GSLO x (Target Price - Level 1 Mid-Price) x Currency Conversion Rate

Your total Prime Margin is the sum of the Prime Margin required for all CFD Margin Trades that are covered by a GSLO at any given time.

Independent Margin

- 3.8 We may also require you to deposit an additional Amount in your Account as security for your future obligations to us. This Amount is called independent Margin.

Total Margin

- 3.9 Your total Margin is the sum of your Position Margin, Prime Margin and your independent Margin at any point in time.

4. Further costs.

- 4.1 CMC Markets may also charge or vary any additional fees, charges, costs or fees in connection with your Orders, CFD Margin Trades, Positions or Account where there is reasonable cause to do so. In particular, CMC Markets currently charges the following additional fees:

Holding Costs for CFD Margin Trades

- 4.2 CFD Margin Trades on certain Products referencing contracts other than forward contracts are subject to Holding Costs. No Holding Costs are charged for Forwards referencing indices, currencies, commodities or government bonds.
- 4.3 At the end of each trading day (17:00 New York time), Positions that remain open in your Account will be subject to Holding Costs. For open Positions referencing New Zealand shares, Holding Costs will be applied at 09:00 New Zealand time. Holding Costs can be positive or negative depending on the direction of your Position (buy or sell) and the applicable Holding Cost rate. The Holding Costs applicable to your Positions can be found in the Product Library.
- 4.4 Please note that depending on the asset class CMC Markets may charge several days' worth of Holding Costs for certain Products and/or asset classes on particular day(s) of the week determined in CMC Markets' reasonable discretion. You can find further information on the timing of the relevant Holding Cost charges on our Website. You must have sufficient Cash in your Account to meet any Holding Cost. We may use Cash in your Account to reduce the amount of any Holding Cost you owe us.
- 4.5 The following table shows the Holding Costs payable by Retail Clients and Professional Clients (as applicable) per asset class:

Holding Costs for Retail Clients

Asset Class	Daily Holding Cost
Shares and exchange traded funds (ETFs)	Daily Underlying risk-free rate +/- 0.0082% Please note: The holding rate in respect of a sell-CFD Margin Trade will also include an additional adjustment of at least 0.25%. These borrowing costs can be significant and can be subject to large changes as sell interest in any stock increases.
Commodities/ Treasuries	Daily Inferred Holding Cost* +/- 0.0082%
Indices	Daily Underlying risk-free rate +/- 0.0082%
FX	Daily TomNext rate +/- 0.0027%
Cryptocurrencies	Bitcoin-CFD: <u>0.0959%</u> (long) / <u>0.0274%</u> (short) Ethereum-CFD: <u>0.0959%</u> (long) / <u>0.0342%</u> (short)

Holding Costs for Professional Clients

Asset Class	Daily Holding Cost
Shares and exchange traded funds (ETFs)	Daily Underlying risk-free rate +/- 0.0069% Please note: The holding rate in respect of a sell-CFD Margin Trade will also include an additional adjustment of at least 0.25%. These borrowing costs can be significant and can be subject to large changes as sell interest in any stock increases.
Commodities/ Treasuries	Daily Inferred Holding Cost* +/- 0.0069%
Indices	Daily Underlying risk-free rate +/- 0.0069%
FX	Daily TomNext rate +/- 0.0027%
Cryptocurrencies	Bitcoin-CFD: <u>0.0959%</u> (long) / <u>0.0274%</u> (short) Ethereum-CFD: <u>0.0959%</u> (long) / <u>0.0342%</u> (short)

* The difference between the Price of the undated CFD (a CFD which is not a CFD referencing forward contracts) and the relevant underlying future (on exchange) price that CMC Markets uses to price its undated CFDs, converted into a Holding Cost.

For the avoidance of doubt, as a result of special promotions, discounts or similar offers, the underlined figures may be lower (but not higher) than the Amounts specified in the table above. We reserve the right to withdraw or amend such special promotions, discounts or similar offers in accordance with clause 3.1.1 of our Terms of Business and charge you up to the Amounts specified in the table above following the expiry of any such special promotion, discount or offer. Subject to the preceding sentence, clause 9.3. of the Terms of Business will apply to any increases to the underlined figures. The rates in **bold** in the table above are "Rates" as defined in the Terms of Business and may be changed in accordance with clauses 9.5 and 9.6 of the Terms of Business.

4.6 Our Platform calculates the Holding Costs as follows:

- For a buy-CFD Margin Trade:

$$\frac{(\text{Units x end-of-day market mid-price} \times \text{buy-holding rate})}{365} \times \text{Currency Conversion Rate}$$

- For a sell-CFD Margin Trade:

$$\frac{(\text{Units x end-of-day market mid-price} \times \text{sell-holding rate})}{365} \times \text{Currency Conversion Rate}$$

Commissions for CFD Margin Trades

4.7 Commissions apply when opening and closing a CFD Margin Trade or a Position referencing shares or ETFs.

4.8 The following table shows the Commission payable by you for CFD Margin Trades referencing shares or ETFs:

Commission per Trade (Unit)		
Country	Rate	Minimum
Australia	9 bp	AU\$ 7
Belgium	6 bp	EUR 5
Denmark	8 bp	DKK 90
Germany	5 bp	EUR 5
Finland	8 bp	EUR 9
France	6 bp	EUR 5
Great Britain	8 bp	GBP 9
Hong Kong	18 bp	HK\$ 50

USA	2 cents per share	US\$ 10

- 4.9 The rate is shown in basis points or cents per share. If the rate equals an Amount less than the minimum Commission, the minimum Commission will apply.
- 4.10 For the avoidance of doubt, as a result of special promotions, discounts or similar offers, actual Commissions may be lower (but not higher) than the Amounts specified in the table above. We reserve the right to withdraw or amend such special promotions, discounts or similar offers in accordance with clause 3.1.1 of our Terms of Business and charge you up to the Amounts specified in the table above following the expiry of any such special promotion, discount or offer. Subject to the preceding sentence, clause 9.3. of the Terms of Business will apply to any increases in Commission.
- GSLO Premium for CFD Margin Trades**
- 4.11 If you wish to place a GSLO on a CFD Margin Trade or Position, you will be asked to pay a premium, which is referred to as GSLO Premium on the Platform.
- 4.12 The GSLO Premium required for your CFD Margin Trade or Position is calculated using the GSLO Premium cost per Unit shown on the Platform in the Product Library of each Product:

Cost per Unit x number of Units traded
--

4.13 The GSLO Premium will be amended in accordance with clauses 9.5 and 9.6 of the Terms of Business.

Interest

4.14 If you are a Professional Client or an Eligible Counterparty, we may charge you interest on overdue amounts owed to us from the due date until we receive payment of the overdue amount in your Account in accordance with clause 3.1 of Schedule 2A of the Terms of Business. Such interest will be charged daily at 4% per annum above the base rate of the European Central Bank from time to time but at 4% per annum for any period during which such base rate is below 0%.

5. Exchange rate conversion.

5.1 Exchange rate conversions from the Product Currency to the Account Currency are based on our Currency Conversion Rates. The Currency Conversion Rate is the average of our cash foreign exchange Products plus or minus a premium of 0.50%.

5.2 Clause 9.3 of the Terms of Business will apply to any increases to the premium. For the avoidance of doubt, the average of our cash foreign exchange Products referred to in clause 5.1 above is a "Rate" as defined in the Terms of Business and may be changed in accordance with clauses 9.5, 9.6 and paragraph 4 of Schedule 1 of the Terms of Business.

6. Costs for deposits and withdrawals on your Account.

6.1 There is no charge to you for deposits and withdrawals to your Account for standard bank transfers. CMC Markets may charge a fee of up to €25 for express withdrawals and for international transfers (i.e. all transfers that are not made from a German CMC Markets Account to a German client bank account). For any charges charged by your bank, please check their terms and conditions.
