## 1. INTRODUCTION

Investing in derivatives, such as CFDs, Option CFDs, or other financial derivative instruments, carries a high level of risk to your capital, which may not be appropriate for all investors. The Prices of our Products may change to your disadvantage very quickly. Trading of Products that involve leverage may result in losses exceeding your deposited funds, and you may be required to make further payments. Therefore, you should ensure that you understand the risks involved and seek independent, financial and professional advice if necessary. More details about the risks of trading our Products are contained in the Risk Warning Notice and other relevant documents on our Website.

### 1.1 Our agreement with you.

- 1.1.1 This document (referred to as the “Terms of Business”) is part of a wider agreement between you (also referred to as “our client”, “your” and “you”) and CMC Markets Singapore Pte. Ltd. (also referred to as “CMC Markets”, “we”, “us” and “our”) in relation to your activities carried on with us.
- 1.1.2 Capitalised words in these Terms of Business, the Risk Warning Notice, and the Order Execution Policy have a special meaning which are explained in the Definitions section in Schedule 2.
- 1.1.3 Our agreement with you consists of these Terms of Business, our Order Execution Policy, our Risk Warning Notice, and any specific terms and conditions you accept in writing in relation to your Account or on the Platform (the “Agreement”). These documents are available on our Website, through our Platform or otherwise by requesting them in writing. In accordance with clause 9, we will notify you of any changes to the Agreement. You must ensure that you keep informed of these changes. If we agree to provide you with our sales trader service, we will provide confirmation in writing. Any additional terms offered by us in writing and agreed by you in writing in relation to that service will form part of the Agreement.
- 1.1.4 There are additional documents and information available to you on our Website and through our Platform which contain useful information but are not part of the Agreement. These include our Summary of Conflicts of Interest Policy, our Privacy and Security Policy, our Complaints Procedure and disclosure of fees.
- 1.1.5 For your own benefit and protection, you should take sufficient time to read the Agreement, as well as the additional documents and information available on our Website and through our Platform, before you apply to open an Account and/or place any Order. If you do not understand any aspect of this Agreement, you should contact us before opening an Account, or seek independent professional advice.
- 1.1.6 This Agreement contains all the terms and conditions that govern our relationship and your activities carried on with us on or in relation to the Platform and supersedes any prior oral or written representations and/or agreements between you and us which relate to our Platform.

### 1.2 English language prevails.

- 1.2.1 The Agreement and all communications between us and you in relation to it will be in English. Accordingly, you confirm that you have a proper knowledge and full understanding of the English language. The Platform, including its features and information within it, will be provided in English by default. However, you may be able to select another language for the Platform, its features and information or we may, at your request, agree with you to communicate with you in a language other than English. You should only select another language if you possess a proper knowledge and full understanding of that language. If you select another language, you do so entirely at your own risk and you acknowledge and understand that non-English

language support may not be available at all times. Any translation provided by CMC Markets is for convenience only and CMC Markets will not be liable to you for any loss you may incur, either directly or indirectly, arising from or in connection with reliance upon any such translations. To the extent there is a conflict between the English version and any translation, the English version shall prevail.

This means that, unless we agree otherwise in writing, neither you nor we can act as agent, attorney, trustee or representative for any other person. Other than an Authorised Person appointed in relation to an Account in accordance with clause 3.3.1, you will not permit any person to deal with us on your behalf.
- 2.4.2 We shall deal with you on an order execution-only basis at all times. This means that we shall not provide you with any advice or recommendation on the merits or suitability of you entering into this Agreement or any particular CFD Margin Trade, Option CFD, or Countdown. No investment advice or recommendation will be provided by CMC Markets regarding trading or investing in any CFD Margin Trade, Option CFD, or Countdown. investigation of any complaint or dispute, we will use reasonable endeavours to notify you of the results of our investigation as soon as is reasonably practicable.

2.5.2 In accordance with clause 1.2, we will respond to any communication, complaint, claim or dispute in English.

2.5.3 If, having gone through our Complaints Procedure, you are dissatisfied with our handling and/or findings in relation to your complaint or dispute, then depending on your eligibility, status and the circumstances of your claim, you may refer the matter to the Financial Industry Disputes Resolution Centre Ltd ("FIDReC"), 36 Robinson Road, #15-01, Singapore 068877 ([www.fidrec.com.sg](http://www.fidrec.com.sg)) or at such other office as FIDReC may publish from time to time.

## **2.6 Order execution, conflicts of interest, risk warnings and Price sources.**

2.6.1 We, or our Associates, may have an interest or relationship which conflicts with your interests or our duties to you. You should read our Summary of Conflicts of Interest Policy as this sets out how we identify and prevent or manage all material conflicts of interests that are reasonably foreseeable.

2.6.2 We enter into all CFD Margin Trades, Option CFDs, and Countdowns with you using Prices quoted by us through our Platform or through our client management team. Our Prices are not identical to prices for similar financial instruments or their underlyings quoted on a Trading Venue or by other providers. By entering into CFD Margin Trades, Option CFDs, and/or Countdowns via our Platform or through our client management team you consent to your Orders being executed outside of a Trading Venue and in accordance with our Order Execution Policy.

2.6.3 We may, in our sole discretion, from time to time accept instructions including instructions to agree to execute Orders we receive via e-mail or other electronic messaging system. We have no obligation to accept, all or any part of an instruction via e-mail or electronic messaging system. You authorise us to act on any instruction or Order given or appearing in our reasonable opinion to have been given by you through e-mail or other electronic messaging system. Without limitation of the foregoing, we have no responsibility for, nor from any loss arising from, transmissions that are inaccurate or not received by us, and we may execute any Order on the terms actually received by us without requirement to seek further confirmation. Any acceptance of such instructions shall not create any precedent of future behaviour. We may ask you to agree to additional written terms relating to this clause.

## **2.7 Duration of the Agreement and your rights to cancel.**

2.7.1 The Agreement will become legally binding between you and us on the date that we confirm, in writing, that we have accepted your application to open an Account. Subject to clause 2.7.2, you may cancel the Agreement by giving us notice in writing within fourteen (14) calendar days of this date. Following a valid notice of cancellation, we will return any money that you have transferred to us.

2.7.2 Notwithstanding clause 2.7.1., you will not have the right to cancel this Agreement within fourteen (14) calendar days of your Account opening if you have, in this period, entered into CFD Margin Trades which have been affected by fluctuations in the financial markets, or any Option CFDs or any Countdowns. You may, however, still close your CFD Margin Trades, Option CFDs, and your Account in accordance with the Agreement.

# **3. ACCOUNTS**

## **3.1 Account types, features, and promotions.**

3.1.1 We offer different Account types, features and promotions. Depending on your knowledge and experience or client categorisation, some of these may not be available to you. We reserve the right to convert your Account type and/or enable/disable (as applicable) Account features if, in our sole discretion, we determine that a different Account type/feature (as applicable) is more appropriate for you or if otherwise required by Applicable Law. We may withdraw or amend any promotions, rebates, discounts or similar offers at any time without prior notice and in our sole discretion.

## **3.2 Account opening process.**

3.2.1 When we receive your completed application form, we may use the information provided to conduct any further enquiries about you and other individuals referred to in the application form (if applicable) as we (in our sole discretion) determine are necessary or appropriate in the circumstances. Where applicable, you confirm that you are fully authorised to provide the personal details of the other individuals referred to in the application form. You should provide us with information about any relevant factor that could affect your trading activities with CMC Markets. Where our enquiries include searches with credit reference agencies, they may appear on your, or the other individuals', credit history. We may also carry out any additional checks or periodic reviews that we (in our sole discretion) determine are necessary or appropriate in the circumstances. You will need to co-operate with us and promptly supply any information that we request.

3.2.2 We rely on the information that you provide us in the Account opening process or otherwise as being correct and not misleading at all times, unless you notify us otherwise in writing. We may use any information we have about you to make an assessment of whether or not investing in CFD Margin Trades, Option CFDs, and/or Countdowns and/or operating an Account with us is appropriate for you. You must notify us as soon as possible in writing if any of the details provided to us in the Account opening process have changed or if your circumstances have subsequently changed, including if you feel at risk of financial harm or wish to exclude yourself from trading. If you do not provide sufficient information for this assessment, we may be unable to offer you an Account with us. We reserve the right to periodically request additional and up-to-date information and/or data from you, in order to ensure that our records are up to date. This does not

negate your responsibility to ensure that you advise us, in a timely manner, of all changes to your personal situation.

### **3.3 Authorised Persons.**

- 3.3.1 If you want to appoint an attorney or agent, you must notify us in writing of any person who is authorised to act on your behalf in relation to this Agreement (an Authorised Person). You and/or the Authorised Person will be required to complete such further documentation as we may reasonably require. We may require evidence that the Authorised Person has authority and is appropriate to act on your behalf.
- 3.3.2 We may revoke or reject the appointment of an Authorised Person if we know or reasonably suspect that such appointment could result in a breach of the Agreement and/or Applicable Law. You must immediately notify us in writing of any changes to the appointment and/or authority of any Authorised Person.
- 3.3.3 We shall be entitled to act upon any instructions of, or Orders transmitted by, any Authorised Person or any person who reasonably appears or purports to be an Authorised Person in relation to your Account, notwithstanding that the person is not, in fact, so authorised.
- 3.3.4 Notwithstanding clause 3.3.3, we will not be under any duty to accept any instructions or Orders from such Authorised Person if we reasonably believe that the Authorised Person may be acting in excess of their authority. Any action taken by an Authorised Person appointed by you or any person who reasonably appears or purports to be an Authorised Person shall be deemed to be an action by you. Any information provided by us to an Authorised Person or any person who reasonably appears or purports to be an Authorised Person will be deemed to have been provided by us to you.
- 3.3.5 Where you have appointed an Authorised Person to act on your behalf and that person also acts on behalf of other clients of CMC Markets, then the Authorised Person may decide to place a single, aggregated Order with us in respect of a Product and allocate the Order amongst you and its other clients. We are not responsible for the aggregation and allocation of such Orders, and you should consult your Authorised Person for further information on any such Order aggregation or allocation.

### **3.4 Joint Accounts.**

- 3.4.1 If you open a Joint Account:
- (a) references to you are references to any other person in whose name the Joint Account is held;
  - (b) we may exercise any of our rights or obligations under this Agreement against any person who is, or reasonably appears or purports to be, named on that Joint Account;
  - (c) each Joint Account Holder shall be jointly and severally liable for any financial obligations arising on their Joint Account. This means that any monies owed to us in relation to the Agreement shall be payable in full by anyone named on that Joint Account;
  - (d) the death of any Joint Account Holder will be a Specified Event, and the Joint Account will be closed, and the balance will be paid equally to the survivor and the relevant Joint Account Holder's estate; and
  - (e) we may give any notice or communication to any one or all persons in whose names that Joint Account is held and any notice or communication, made to any one person, shall be deemed as having been made to all Joint Account Holders.
- 3.4.2 After a Joint Account has been opened, you cannot add or remove persons named on that Joint Account. If you wish to change the Joint Account Holders you must close the Joint Account and open a new one.

### **3.5 Security and Account authentication.**

- 3.5.1 You are responsible for setting your own password in accordance with the instructions that we will provide to you, as well as keeping all information you hold in your Account confidential. You must notify us immediately if you know or suspect that any person has accessed or may access your Account, or any information you hold in your Account, without your permission. Unless you notify us otherwise under this clause 3.5.1, we will treat any activity on or communication made from your Account as having been authorised by you and you may be liable for such activity up to the point of notification. We may need to change or reset your password and we will notify you if we do this.

## **4. TRADING WITH US**

### **4.1 Orders.**

- 4.1.1 You hereby acknowledge and agree that we are authorized to impose trading or Position limits or to closeout Positions with respect to your Account and the CFD Margin Trades and Positions held therein, in accordance with the Terms of Business. - 4.1.4 You must contact our client management team to enter into an Order for (1) a Manual Product or, (2) if we have agreed to provide you with the sales trader service, a Manual Order. You must specify the required information so that our client management team can execute your Order for a Manual Product or Manual Order. An Order for a Manual Product or Manual Order will be entered into when executed by the client management team.

## **4.2 Accessing our Platform.**

- 4.2.1 We will do our best to make our Platform and our client management team available when required by you, but we cannot guarantee that our Platform or our client management team will be available continuously. Subject to clause 7.3.2(b), we will not be liable to you for any loss which arises as a result of our Platform and/or our client management team being unavailable.
- 4.2.2 You are responsible for making sure that you are able to access our Platform when you need to. This includes having access to a device that can connect to our Platform, maintaining the device so that it functions properly, safely and securely and having adequate internet connectivity.
- 4.2.3 If you cannot access our Platform directly, then you should try to contact our client management team by telephone, mobile messaging application, or email to request assistance. However, this is likely to be much slower than accessing our Platform directly and we cannot guarantee the availability of our client management team.
- 4.2.4 Where our Platform, Website, e-mails or any other content generated by us contains links to other websites and resources provided by third parties, these links are provided for your information only and we accept no responsibility for them or for any loss or damage that may arise from your use of them.

## **4.3 Information and reports about your trading activity and your Account.**

- 4.3.1 We provide a range of information relating to your Account on and through our Platform, including the following:
- (a) once we have executed an Order on your behalf, we will promptly provide you with the essential information concerning the execution of the Order in real time through the Platform; and
  - (b) up-to-date statements of your Positions and any money held by us in respect of your Account as required under Applicable Law.
- 4.3.2 It is your responsibility to regularly access and review the information set out in clause 4.3.1 to ensure that it corresponds with your own records. Subject to clause 4.4, this information will be conclusive unless we notify you of any mistake, error or inaccuracy, or you notify us in writing of any mistake, error or inaccuracy and we agree with your notification.
- 4.3.3 Our Platform will update the information set out in clause 4.3.1 in real time during the relevant Trading Hours, as applicable. However, from time to time this may not happen immediately due to a Circumstance Outside Our Control (see clause 8.2).
- 4.3.4 We will retain certain information in relation to an Order, CFD Margin Trade, an Option CFD, and/or Countdown to the extent and for the duration required by Applicable Law (usually five (5) years from the date of the relevant Order, CFD Margin Trade, Option CFD, or Countdown). You may access this information through our Platform or upon request unless the relevant Account has been closed or the Agreement has been terminated. After this period, we may destroy this information or retain it for such further duration as we see fit in our sole discretion and without notice to you.
- 4.3.5 You agree and acknowledge that any applicable contract notes and statements and any other documents may be sent by us to you in electronic form and we shall not be obliged to send such contract notes, statements and any other documents that we may provide by post. You shall verify all such contract notes, statements and documents received from us and they will, in the absence of manifest errors, be conclusive unless you notify us in writing to the contrary within three (3) Business Days of receiving such contract notes, statements, documents (as applicable). You shall immediately notify us in writing if any contract note, statement or any other document is not received by you in the ordinary course of business.

## **4.4 Errors.**

- 4.4.1 From time to time, material errors and omissions may occur in respect of your CFD Margin Trades, Option CFDs, Countdowns, your Account and/or our Platform (each an Error). Examples of Errors may include (without limitation): a Pricing Error, our Platform displaying incorrect Prices (whether caused by a third party supplier or due to a problem with our systems), an Order being handled incorrectly by our Platform and/or our client management team (including execution at an incorrect Price or contrary to underlying market conditions) or incorrect Deductions or credits being applied to your Account.
- 4.4.2 If you or we know or suspect, or are aware of circumstances in which you or we ought reasonably to know or suspect, that an Error has occurred:
- (a) as applicable, you must notify us or we will notify you as soon as reasonably practicable, which for the avoidance of doubt may be after an Error has occurred; and
  - (b) we will then use reasonable endeavours to investigate whether there has, in fact, been an Error and/or what caused it.

- 4.4.3 If an Error has occurred, this constitutes a Specified Event and the provisions of clauses 8.1 and 8.3 will apply. We will inform you of any Reserved Actions we may take, or may have taken, in accordance with clause 8.3.2.

## **5. FINANCIAL MATTERS**

### **5.1 Your money.**

- 5.1.1 In accordance with Applicable Law and subject to clauses 5.1.2, 5.2.3 and 5.2.4, we shall hold and maintain an amount equal to your Account Value for each Account you hold with us in a segregated client money bank account. Furthermore, you consent that we may maintain one or more segregated trust accounts with a custodian or financial institution outside Singapore, for the purpose of depositing any client money received in a foreign currency.
- 5.1.2 You consent that where we consider it appropriate to do so and in accordance with our regulatory permissions, we may from time to time hold client money in segregated client money bank accounts with fixed term deposits or notice periods and you irrevocably and unconditionally consent that all returns from the investment of your money held in any segregated client money bank account shall accrue to us. Such fixed term deposit accounts or notice periods will not affect your ability to deal with or withdraw your money in the ordinary course of business. However, there is a risk that, in exceptional circumstances, the longer notice period could result in a delay in returning some or all of your money to you until the expiry of the relevant fixed term or notice period.
- 5.1.3 On each Business Day, we complete client money reconciliations based on our reports from the previous Business Day to establish the correct amount of money which should be held and segregated in our client money bank accounts in accordance with Applicable Law. Following the reconciliation, we segregate client money in our client money bank accounts for the previous Business Day.
- 5.1.4 If there has been no activity on your Account for a continuous period of one (1) year, we may impose dormant Account fees in accordance with clause 5.9.1 and make a Deduction from your Account in accordance with clause 5.5.1.
- 5.1.5 If there has been no activity on your Account for a continuous period of six (6) years, we will make reasonable attempts to contact you regarding any client money held in your Account. If we are unable to contact you within the first thirty (30) calendar days that follow a six (6) year inactivity period on your Account, the Account will be considered dormant and any unclaimed moneys will be kept in the client money bank account until such time the unclaimed moneys are claimed by you or your estate.
- 5.1.6 We do not accept responsibility for any loss or damage suffered by you as a result of you trading with money placed in or credited to your Account in error by us or on our behalf. We will be entitled at any time and in our sole discretion to deduct, without notice to or recourse by you, any money placed in or credited to your Account in error by us or on our behalf. If there is no balance left on your Account for CMC Markets to deduct any money placed in or credited in error by us or on our behalf to your Account, you agree to return any such outstanding sum to CMC Markets immediately on demand.
- 5.1.7 We have no obligation to pay interest to you on any money held on your behalf or otherwise under this Agreement, unless notified to you directly. Where eligible, any interest will be at a rate, paid in a manner and for such period that we determine in our sole discretion. You agree not to rely on any payment of interest by us to prevent an Account Close-Out, satisfy any Margin requirements or set-off any payment obligation that you may have under this Agreement. For further details including eligibility, please visit our Website or contact us.
- 5.1.8 As permitted by Applicable Law, we may agree with you that you do not require money which is transferred by you to us to be held in a segregated client money bank account. Any such agreement must be in our agreed form and signed by you. If such agreement is signed by you, you acknowledge and accept that:
- (a) we will acquire full ownership of all amounts received from you or credited by us to your Account;
  - (b) all amounts deposited with us should be for the purposes of securing or covering your present, future, actual, contingent or prospective obligations with us;
  - (c) such money does not constitute client money for the purposes of Applicable Law and may be used by us in the course of our business; and
  - (d) you will rank as a general creditor of us in respect of this money in the event of our insolvency.

### **5.2 Payments and withdrawals.**

- 5.2.1 You are responsible for making any payments to us which are required under the Agreement. We may reject, in our sole discretion, any instruction for payment or withdrawal that is not made in accordance with our payment procedures (details of which are available on our Platform or from our client management team upon request). CMC Markets will not be responsible or liable to you for any fees you may incur in the event that we reject your payment or withdrawal.
- 5.2.2 When making payments to us, you may wish to leave "headroom", especially during volatile and potentially volatile periods, (i.e. an Amount that ensures you have sufficient funds above your Margin requirements and that your Account Revaluation Amount is in excess of your total Margin requirements (if applicable) or the Amount required to keep the Account Revaluation Amount above the applicable Close-Out Level on any Account). You should consider your Positions, CFD Margin Trades, Option CFDs, Countdowns and Pending Orders, the volatility of the particular Product concerned and the relevant markets for the underlying asset,

the time it will take for you to make further payments of cleared funds to us and any other matter which you may think relevant.

- 5.2.3 Any payment made by you or on your behalf by certain Authorised Persons will only be given effect once our systems have credited it to the relevant Account and it is shown on our Platform. We cannot guarantee how long this process will take and, subject to clause 7.3.2(b), we will not be liable to you for any loss arising as a result of any delay in us crediting any payment to your Account.
- 5.2.4 You are responsible for any costs and charges incurred in the process of making any payment to your Account. You may also be liable for other charges that are not imposed by us, including bank transfer fees, and fees to internet and telephone service providers. If you make a payment using a payment card or withdraw money from an Account, we may charge an administration fee to process that payment and/or withdrawal in accordance with Applicable Law.
- 5.2.5 You may make a request to withdraw money up to the lower of your Available Equity or Cash from your Account. Details on how to make withdrawals of money from your Account are available on our Website or from our client management team upon request.
- 5.2.6 Unless we agree otherwise or in order for us to comply with Applicable Law, we will only accept a request for a withdrawal of money from an Account that is given directly by you or certain Authorised Persons. We will not accept any request for a withdrawal of money from an Account from any other person. Withdrawals of money from your Account will only be made in the Account Currency. Withdrawals will only be processed by us where the destination for the money being withdrawn is to an account in your name, which you have registered with CMC Markets, unless (subject to our prior approval) you have notified us in writing that your payment details have changed or, if agreed by us, to your funds held in certain Authorised Persons' segregated client money account, provided that that Authorised Person is licensed to hold client money by the relevant regulatory authority.
- 5.2.7 We may in our reasonable discretion refuse or delay giving effect to your request for a withdrawal of money (in whole or in part) from your Account, including as a result of any request to close that Account under clause 9.6.1. We will notify you as soon as reasonably practicable if we decide to refuse or delay giving effect to your request for a withdrawal and such circumstance shall be regarded as a Specified Event (see clause 8.1).
- 5.2.8 If your Account has a negative Cash value following Account Close-Out or termination of this Agreement, that negative Cash value represents a debt owed to us which is due and payable immediately.
- 5.2.9 Any negative balance must be cleared promptly regardless of whether the balance is within the relevant Close-Out level and is a debt, which is payable immediately on demand.
- 5.2.10 Notwithstanding any other provision of this Agreement, any payment obligation that we may have to you under this Agreement (other than a payment obligation pursuant to clause 5.4) is subject to the condition precedent that no Event of Default has occurred and is continuing and no Early Termination Date has occurred or been effectively designated.

### **5.3 Currency.**

- 5.3.1 The Account Currency of an Account will be Singapore Dollar (SGD) unless otherwise agreed by us at the time you open the Account, and any payment obligations in relation to that Account must be settled in that Account Currency.

### **5.4 Close-out Netting and Early Termination**

- 5.4.1 All CFD Margin Trades, Option CFDs, and Countdowns entered into by you or on your behalf pursuant to these Terms of Business are entered into in reliance on the fact that the Agreement and all CFD Margin Trades Option CFDs, and Countdowns form a single agreement between us and you. The term Agreement shall be construed as including the Agreement and all CFD Margin Trades Option CFDs, and Countdowns accordingly.
- 5.4.2 You agree you will not enter into any CFD Margin Trades Option CFDs, or Countdowns other than as part of the Agreement.
- 5.4.3 Without prejudice to any of our other rights under this Agreement and upon the occurrence of an Event of Default, we may at our sole discretion and by notice in accordance with clause 6 designate a day not earlier than the day such notice is effective as the Early Termination Date in respect of all outstanding CFD Margin Trades Option CFDs, and Countdowns as at such date (each an "Outstanding CFD Margin Trade", an "Outstanding Option CFD" or an "Outstanding Countdown" as applicable).
- 5.4.4 Once an Early Termination Date has been designated, no further payments will be required to be made in respect of the relevant CFD Margin Trades, Option CFDs, and Countdowns, other than payments calculated in accordance with the remaining provisions of this clause 5.4 and we will cancel any Pending Orders.
- 5.4.5 On or as reasonably practicable following the occurrence of an Early Termination Date, we will make the relevant calculations to determine our Netting Loss or Netting Gain (as applicable) for each Outstanding CFD Margin Trade, Outstanding Option CFD, and Outstanding Countdown. We will provide to you evidence of such calculations showing reasonable detail and including all relevant quotations. Such calculations shall be binding on you (absent manifest error) and the date on which such calculations are provided shall be the "Payment Date".

- 5.4.6 On the Payment Date, the Settlement Amount will be due and payable. If the Settlement Amount is a positive number, you will pay it to us. If the Settlement Amount is a negative number, we will pay it to you.
- 5.5 Our right to deduct money from your Account.**
- 5.5.1 Any money due to us under the Agreement, or required to be deducted by Applicable Law (including for tax purposes), may be deducted from any money held by us in respect of your Account. This is our right to make a Deduction.
- 5.6 Our right of Set-Off in relation to your Account.**
- 5.6.1 We may, at any time and without notice to you, apply any positive Cash balances in any account with us or our Associates, or any money due to you from us, against any money due to us (or any of our Associates) under any account with us or our Associates from you. This is our right of Set-Off. We may apply the Currency Conversion Rate to convert the relevant Cash balances and any money due to you or us into the same currency. If we exercise our right of Set-Off, we will give you notice of the Amount of any debt that remains unsatisfied and such debt is immediately payable to us.
- 5.7 Netting of payment obligations between us and you.**
- 5.7.1 If at any time in relation to any one Account:
- (a) you owe us and we owe you the same amount of money in the same currency, then both your and our obligation will each be automatically satisfied and discharged; or
  - (b) you owe us and we owe you a different amount of money in the same currency, then whichever of you or us owes more may pay the excess to the other party and both your and our obligations will be satisfied and discharged.
- 5.8 Taxes.**
- 5.8.1 If we are required to pay any withholding tax or other levies on your behalf, we reserve the right to deduct such amounts from your Account or otherwise require you to pay or reimburse us for such payments. You shall have no claim against us regarding such deductions.
- 5.8.2 We are entitled to deduct or withhold, in our sole discretion, any tax required by Applicable Law from any payment or credit made to your Account. Your tax treatment in relation to CFD Margin Trades, Option CFDs, and/or Countdowns may differ according to your circumstances and you may wish to seek independent professional advice in this regard.
- 5.8.3 All charges will be made inclusive of any value added taxes or similar consumption taxes as applicable.
- 5.8.4 You may be subject to tax on gains, profits and income from CFD Margin Trades and Option CFDs. You should consult with your own legal and tax advisers with respect to the tax consequences of an investment in CFD Margin Trades and Option CFDs in your particular circumstances and with respect to the eligibility of CFD Margin Trades and Option CFDs for investment by you under relevant Applicable Law.
- 5.9 Costs.**
- 5.9.1 There are costs associated with trading with us. Details of these costs can be found via our Website and Platform, and in these Terms of Business. We may impose and/or vary costs from time to time where we have a valid reason for doing so. We may also, in our sole discretion, waive these costs. We will give you notice of any change to our costs in accordance with clause 9.
- 5.9.2 We will charge Holding Costs for certain CFD Margin Trades, details of which are available on our Platform. Holding Rates may change on a regular basis and you must have sufficient Cash in your Account to meet any Holding Cost. We may use Cash in your Account to reduce the amount of any Holding Cost you owe us.
- 5.9.3 If you subscribe for certain Products, a market data subscription fee may apply. Different market data subscription fees will apply if you are not classified as a Private Investor and full details of such fees can be found on our Platform. In order to qualify as a Private Investor, you and all Authorised Persons must satisfy the conditions of a Private Investor (as set out in Schedule 2).
- 5.10 Introduced business.**
- 5.10.1 This clause 5.10 applies if you have been referred to us by a third party, such as a referrer, an intermediary or money manager (each a "Referrer"). We will notify you in advance of the effective date of this clause 5.10, which will apply from the date specified in that notification. Any agreement you may have with a third party is entirely at your own risk. You acknowledge that you have received a disclosure document that describes the nature of the referral arrangement, including any Referral Fees that may be paid by CMC Markets to a Referrer.
- 5.10.2 Where you have been referred or introduced by a Referrer, we may pay the Referrer who introduced you to us fees, commission and/or other remuneration ("Referral Fees") in respect of such referral or introduction by the Referrer. The payment of any Referral Fees will not increase the fees you pay to CMC Markets for your Account(s). Please note that any Referral Fees will only be made where we are satisfied that such payments do not impair our obligation to act in the best interests of our clients.
- 5.10.3 By entering into this Agreement, you authorise us to disclose information about you and your Account including your personal data and your Account activity to the third party referred to in clause 5.10.1 and also that third party's affiliates and sub-contractors as required for the purpose of providing services to you.

For the purposes of this clause 7.1.1(l), it is assumed that the CFD Margin Trade is of a type that has been declared to be subject to the clearing obligation in accordance with the Applicable Law.

## **7.2 Your obligations if you breach the Agreement.**

7.2.1 If you believe or have reason to believe that you have breached any term of the Agreement, then you must inform us immediately in writing.

7.2.2 You will be responsible for any losses and/or expenses that we suffer which are the result, or which a reasonable person would consider to be the probable result, of you or an Authorised Person being negligent, acting fraudulently or breaching the Agreement or Applicable Law.

## **7.3 Our liability towards you, and limitations of that liability.**

7.3.1 Nothing in the Agreement excludes or limits our liability for any matter that cannot be excluded or limited under Applicable Law.

7.3.2 Subject to clause 7.3.1, we will not be liable to you for any loss, expense, cost, or liability suffered or incurred by you:

- (a) which arises as a result of:
  - (i) our compliance with, or our exercising of any of our rights in accordance with, Applicable Law or the Agreement;

For the avoidance of doubt, we will not be liable for any loss of profit or opportunity howsoever arising.

7.3.3 We are not responsible for any delays, delivery failures, or failures in transmission of any Order or any other communication or any other loss or damage resulting from the transfer of data over mobile or other communications networks and facilities outside of our control.

7.3.4 Any features (including charts), market data or third party content available on our Website, Platform or e-mails are provided on an "as is" and "if available" basis. We and our third party providers have taken all reasonable steps to ensure their accuracy and completeness but exclude any warranties, undertakings or representations (either express or implied) related to them to the full extent permitted under Applicable Law, including but not limited to:

## **8. OUR RIGHTS IN CERTAIN CIRCUMSTANCES**

### **8.1 Specified Event.**

- 8.1.1 Should a Specified Event occur, be reasonably likely to occur, or when we become aware of a Specified Event, we may take a Reserved Action, provided it is fair and reasonable in the circumstances (see clause 8.3). A Specified Event includes, but is not limited to, if:

  - (e) you fail to make any payment due to us under the Agreement or any other agreement in place between you and us or for any of our Associates;

  - (i) any other circumstance exists where we reasonably believe that it is necessary or desirable to protect you or us, including any breach or potential breach by you of Applicable Law or the Agreement or where you do not respond as reasonably required to any notice, communication or request for further information from us in relation to your Account.

### **8.2 Circumstances Outside Our Control.**

- 8.2.1 Any failure by us to perform our obligations under the Agreement caused by a Circumstance Outside Our Control will not be a breach of the Agreement.
- 8.2.2 If we reasonably determine that there is a Circumstance Outside Our Control, we will give you notice of this as soon as it is practicable and in accordance with Applicable Law. We will use all reasonable endeavours to resume our provision of our Platform, services and/or performance of our obligations under the Agreement as soon as possible. Where it is fair and reasonable to do so, we may take an appropriate Reserved Action and/or take action in relation to any Pricing Error.
- 8.2.3 Where we are able to resume provision of our Platform, services and/or performance of our other obligations under the Agreement following a Circumstance Outside Our Control:
  - (a) the value of any CFD Margin Trade and/or Option CFD held immediately before the Circumstance Outside Our Control that remains open will be determined by the Price as at the time we are able to resume our provision of our Platform and/or our services;
  - (b) we may act on any instructions to transmit any Order in relation to a CFD Margin Trade or an Option CFD received immediately before the Circumstance Outside Our Control, provided it is possible to do so; and
  - (c) you are responsible for re-instating or cancelling any Orders affected by a Circumstance Outside Our Control.

### **8.3 Reserved Actions.**

- 8.3.1 If we are required to do so under Applicable Law, or a Specified Event or Circumstance Outside Our Control occurs or is reasonably likely to occur, or we have valid reasons for doing so, we may in our sole discretion take any action, including any Reserved Action, that is fair and reasonable in the circumstances.
- 8.3.2 If we have taken or decide to take any Reserved Action then we will attempt to notify you of this as soon as reasonably practicable, unless Applicable Law prevents us from doing so. When taking any Reserved Action, we may, in our sole discretion, take into account any prior instructions you have provided to our client management team. We reserve the right to not give you notice where the Corporate Action does not have a detrimental or material impact on your Account.

## **9. AMENDMENTS AND TERMINATION**

### **9.1 Amendments to the Agreement in general.**

- 9.1.1 We may amend any part of the Agreement at any time by giving you notice, subject to clause 9.1.2.
- 9.1.2 Subject to any agreement we have made with you, we will give you prior notice of any material amendments to the Agreement, and any such amendments will become effective on and from the date specified in our notice to you. We will not be obliged to give you notice for immaterial, minor or trivial amendments to the Agreement (e.g. correction of typographical errors and changes to formatting and presentation). In such circumstances, we will update the Agreement without prior notice to you and make the amended Agreement available on our Website.
- 9.1.3 If you do not accept the amendment(s) to the Agreement, you will be free to close your Account and/or terminate the Agreement in accordance with clause 9.6 before the amendment(s) take effect.
- 9.1.4 If you do not accept the amendment(s) to the Agreement on and from their effective date, we may set your Account to Unauthorised to Trade or Reduce Only, close your Positions and/ or terminate the Agreement in accordance with clause 9.6.2

### **9.2 Amendments to Margin Rates, Margin requirements, Commission, Close-Out Level, Reset Level, and other costs.**

- 9.2.1 We may from time to time make amendments to the Margin Rate, other Margin requirements applicable to a Product or your Account, Commission, Close-Out Level, Reset Level, and/or other costs. We will, where possible, provide you with:
- (a) three (3) Business Days' notice of increases to the Margin Rate, other Margin requirements and/or Commission;
  - (b) ten (10) Business Days' notice of amendments to the Close-Out Level and/or Reset Level; and
  - (c) three (3) Business Days' notice for the imposition of, or increases to, other costs,
- but we reserve the right to make any amendment under this clause 9.2.1 on shorter notice or without any notice, where we have a valid reason to do so. We reserve the right, at any time and without prior notice to you, to decrease the Margin Rate, other Margin requirements, Commission, and/or other costs. For the avoidance of doubt, we are not obliged to provide you with any notice under this clause 9.2.1 if your Account is not impacted by the amendments specified in this clause 9.2.1.
- 9.2.2 Following any amendment to Margin Rates, other Margin requirements, Commissions, Close-Out Level, Reset Level, and/or other costs, it is your responsibility to ensure that you have sufficient Account Value and/or sufficient Cash and/or reduce your Positions to satisfy your obligations to us under the Agreement. Any failure to do so may result in Account Close-Out.

### **9.3 Amendments to Prices, Rates, Premiums, GSLO Premiums, Spread, and other Attributes.**

- 9.3.1 We will amend Prices, Countdown Opening Prices, Settlement Prices, Rates, Premiums, GSLO Premiums, Spread and Attributes through our Platform in real time and such amendments will take effect immediately as and when they are made, even if they are not displayed on the device that you use to access our Platform. We may make changes to the way the Price of a Product or Premium is calculated and such amendments will take effect immediately as and when they are made.
- 9.3.2 Where we notify you of a change to a limit in relation to an Attribute, you may be required to close any affected CFD Margin Trades and Option CFDs within three (3) Business Days.
- 9.3.3 Amendments pursuant to this clause 9.3 can require you to pay additional Margin. In this case, your CFD Margin Trades or Option CFDs are at risk of being closed out if you do not meet your additional Margin requirements.

### **9.4 Removal of Products.**

- 9.4.1 We may, at any time and in our sole discretion, remove any Products from our Platform and/or remove your ability to place CFD Margin Trades, Option CFDs, or Countdowns on a particular Product. If you have a CFD Margin Trade or Option CFD in any relevant Product being removed, we will use reasonable endeavours to provide you with at least ten (10) Business Days' notice in which to close any CFD Margin Trade or Option CFD that you may hold on such a Product. However, we reserve the right to provide a shorter notice period or no notice at all, where we have a valid reason to do so, including in the event of a Circumstance Outside Our Control, Corporate Action, Adjustment Event, or as required under Applicable Law.

9.4.2 It is your responsibility to cancel any Pending Orders and close any CFD Margin Trades or Option CFDs in respect of a Product that is being removed in accordance with clause 9.4.1 at the time and in the manner specified in the notice. If you do not do this, we will do so.

9.4.3 Subject to clause 9.4.2, we may set any Product that is being removed in accordance with clause 9.4.1 to Reduce Only.

Subject to clause 9.5.2, this will take effect on the date specified in such notice. Unless our notice specifies otherwise, you will be allowed to close any Manual Orders on the relevant Account during the time between:

(a) when we give you the notice; and

(b) when the sales trader service is removed in accordance with the notice.

If you do not do this, we will cancel or close any Manual Orders, as far as our client management team see fit in their sole discretion, taking into account any prior instructions you have provided.

9.5.2 If we have valid reasons for doing so, we may remove the sales trader service from your Account immediately. We will cancel or close any Manual Orders on the applicable Account and, as far as our client management team see fit in their sole discretion, taking into account any prior instructions you have provided. We will attempt to notify you which, for the avoidance of doubt, may be after we remove the sales trader service from your Account.

## **9.6 Closing your Account or terminating the Agreement.**

9.6.1 You may close any Account by giving us notice in writing which will usually take effect up to one (1) Business Day after it is received by us, subject to the condition precedent that no notice designating an Early Termination Date has been given by us. If you do not cancel any Pending Orders, close any CFD Margin Trades or Option CFDs on the Account or withdraw any money due to you before giving us such notice of termination, we will cancel any Pending Orders and close any CFD Margin Trades or Option CFDs as soon as possible after we receive your notice and then (subject to clause 5.2.7) attempt to return any money due to you, but there may be a delay in doing so.

9.6.2 We may close any Account by giving you notice in writing. Subject to clause 9.6.3, this will take effect on the date specified in such notice being no less than ten (10) Business Days after the date of the notice. Unless our notice of termination specifies otherwise and/or we have set the Account to Unauthorised to Trade, you will be allowed to cancel any Pending Orders and/or close any CFD Margin Trades or Option CFDs during the time between: (i) when we give you the notice; and (ii) when the Account is due to close and/or the Agreement is due to terminate in accordance with the notice. If you do not do this or giving you notice is not possible, we will cancel any Pending Orders and close any CFD Margin Trades or Option CFDs on the Account and then (subject to clause 5.2.7) attempt to return any money due to you.

9.6.3 If we have serious grounds or valid reasons for doing so, we may terminate the Agreement or set an Account to Reduce Only or Unauthorised to Trade with less than ten (10) Business Days' notice, including immediately. We will cancel any Pending Orders or set an Account to Reduce Only or Unauthorised to Trade and close any CFD Margin Trades or Option CFDs on the Account at the time and in the manner specified in the notice.

9.6.4 If there are any circumstances which suggest that there is some fraudulent, illegal or any such criminal activity which affects or prejudices our interests, we may terminate the Agreement with less than three (3) Business Days' notice, including immediate termination. We are entitled to cancel any Pending Orders and close any CFD Margin Trades or Option CFDs at the time and the manner specified in the notice or to cancel them without notice.

9.6.5 Unless otherwise agreed, the Agreement will automatically terminate following the closure of all your Accounts by you or us. When you or we close an Account and/or terminate the Agreement we may exercise any right that we have under clause 5.5.1 to make a Deduction or under clause 5.6.1 to exercise our right of Set-Off.

## SCHEDULE 1A - TERMS FOR CFD MARGIN TRADES

This Schedule 1A of these Terms of Business sets out terms that apply specifically to investing in our CFD Margin Trades on any Account.

### 1. CFD Margin Trades.

- 1.1 A CFD Margin Trade is a cash-settled contract which seeks to track an investment in the relevant underlying asset without the usual costs and rights associated with an investment in that underlying asset. However, other costs and rights will apply to a CFD Margin Trade. A CFD Margin Trade will not entitle you or us to any rights in relation to the underlying asset of that CFD Margin Trade.

### 2. Products.

- 2.1 You will be able to access relevant information on each Product, including its Attributes, through the Product Library. The Products available may vary depending on the Account type and/or feature. Please see the Platform for details of which Products are available.
- 2.2 You may only enter into or close CFD Margin Trades via our Platform and/or through our client management team during the Trading Hours specified in the Product Library for the relevant Product. It is your responsibility to monitor the Trading Hours as specified in the Product Library. Some but not all types of Orders may be submitted through our Platform and/or our client management team outside of the Trading Hours for the relevant Product.

### 3. Prices.

- 3.1 During the Trading Hours for any Product, our Platform will generate Prices and Price Depth subject to clauses 4.2.1, 8.2 and 8.3 as well as paragraph 10 of this Schedule 1A, and you acknowledge that these Prices may differ at any time to those displayed on your device.
- 3.2 If we have agreed to provide you with the sales trader service, subject to clauses 4.2.1, 8.2 and 8.3 as well as paragraph 10 of this Schedule 1A, our client management team will quote Prices, and you acknowledge that these Prices may differ at any time to those displayed on the Platform.
- 3.3 The Price at which an Order will be executed may be less favourable to you than the Price displayed on our Platform and/or provided to you by our client management team when you place the Order and you are responsible for checking the Price at which an Order may have been executed.

### 4. Currency Conversions.

- 4.1 All Deductions and credits applied to your Account will be in the relevant Account Currency. Where the relevant Product Currency is different to the relevant Account Currency, all calculations of Deductions and credits will be undertaken in the Product Currency and converted into the Account Currency at the Currency Conversion Rate.
- 4.2 Our Platform will retain information about the Currency Conversion Rate in relation to your Account.
- 4.3 If you transfer funds to your Account which is in a different currency to your Account Currency, those funds will be transferred to your Account using an exchange rate that is displayed on the Platform.

### 5. Orders.

- 5.1 To enter into a CFD Margin Trade, you must place an Order on our Platform that identifies the Product and provides the information requested on our Platform in relation to that Product. The types of Order available to you in respect of a particular Product and the details of when those Orders might be placed or modified will be set out on our Website and further specified on our Platform.
- 5.2 An Order will only be deemed to be received by our Platform at the time at which our Platform actually receives it, which may not be immediately after you submit that Order. Placing an Order does not guarantee that a CFD Margin Trade will be entered into as we reserve the right to reject your Order without any explanation. A record of any executed or rejected Orders can be accessed through our Platform.
- 5.3 You must contact our client management team to enter into an Order for:
- 5.3.1 a Manual Product; or
- 5.3.2 if we have agreed to provide you with the sales trader service, a Manual Order.
- 5.4 You must specify the required information so that our client management team can execute your Order for a Manual Product or Manual Order. An Order for a Manual Product or Manual Order will be entered into when executed by the client management team.
- 5.5 Subject to these Terms of Business, you and/or we may modify or cancel any Pending Order at any point until that Order has been executed. An Order for a Manual Product or a Manual Order may only be modified or cancelled through our client management team.
- 5.6 If your Account has insufficient Available Equity to meet the relevant Margin requirements for that Order, we will not execute that Order unless we have agreed to provide you with the sales trader service and our client management team agree otherwise.
- 5.7 In respect of a Roll-Over, it is your responsibility to ensure that the Account has sufficient Available Equity to meet the relevant Margin requirements. Certain Products are subject to Auto-Roll Over and further details on these procedures, including circumstances where Auto-Roll Over may be enabled or disabled, are provided on our Platform.

- 5.8 Our Platform may combine and net your CFD Margin Trades open at the same time in respect of the same Product. Further details on netting including how to disable it in relation to your Account can be found on our Platform and/or through our client management team
- 6. Margin.**
- 6.1 We will apply a variety of Margin requirements to any CFD Margin Trade you place on our Platform which you are required to meet in order to place that CFD Margin Trade. We provide detailed information on our Platform regarding these Margin requirements.
- 6.2 Margin reflects a percentage of the full value of the Position. Once you have entered into a CFD Margin Trade, you will need to ensure that your Account Value is sufficient to withstand Price fluctuations. It is your responsibility to maintain at all times such Margin requirements as we, in our sole discretion, may require from time to time for or in an Account, and you shall deposit such Margin on demand by us or at such other time as may be required by us, in our sole discretion. The Margin requirements in respect of any CFD Margin Trade may fluctuate and you may incur losses from any CFD Margin Trade that exceed the Margin you have provided to us for your Positions.
- 7. Closing CFD Margin Trades.**
- 7.1 Details on how to close CFD Margin Trades, as well as details of those circumstances where we may close CFD Margin Trades, are provided on our Platform. You should take sufficient time to read this information before you place any Order in respect of any CFD Margin Trade. An Order for a Manual Product or a Manual Order may only be closed through our client management team.
- 8. Risk Management.**
- 8.1 You may set a variety of risk management options in respect of a CFD Margin Trade at any time via the Platform. Further information on the types of risk management options are available on our Platform.
- 8.2 You must not place a Guaranteed Stop Loss Order on a CFD Margin Trade if a Guaranteed Stop Loss Order is already attached to an existing CFD Margin Trade in the opposite direction in the same Product. This restriction and any other restriction applicable to an Account will apply across all Accounts that you hold with CMC Markets.
- Shield Mode.*
- 8.3 If you have no open CFD Margin Trades, we may offer to enable the Shield Mode on your Account. The Shield Mode will:
- 8.3.1 ensure that you will not lose more than the Amount you have deposited with us. If the Shield Mode is enabled and at any time you have a negative Cash value on your Account, we will waive our right to claim the deficit and will return the Account balance to zero (0), subject always to our right of Set-Off under clause 5.6.1. The Shield Mode does not affect your obligation to ensure your Account Revaluation Amount is at all times above the applicable Close-Out Level displayed on our Platform and we retain the right to close any open CFD Margin Trades if you fail to maintain sufficient funds on your Account to keep your Account Revaluation Amount above the applicable Close-Out Level; and
- 8.3.2 affect the execution of all Orders for CFD Margin Trades, prohibiting you from either:
- (a) opening any CFD Margin Trade not fully covered by a Guaranteed Stop Loss Order; or
  - (b) modifying and/or cancelling the Guaranteed Stop Loss Orders on your CFD Margin Trades.
- 8.4 You can enable and disable the Shield Mode at any time by calling our client management team.
- Limits and restrictions on your CFD Margin Trades.*
- 8.5 We will set various limits and restrictions in relation to your CFD Margin Trades and it is your responsibility to ensure that you know what all the current limits and restrictions are before placing or modifying any Order to open a CFD Margin Trade by checking the information available on the Platform. Any restriction applicable to an Account will apply across all Accounts that you hold with CMC Markets. If we have agreed to provide you with the sales trader service, we may, at our sole discretion, waive such limits in relation to your CFD Margin Trade.
- 8.6 If, at the time an Order would otherwise be executed, the execution of that Order would result in a breach of a limit relevant for that type of Order, the Order will be automatically rejected.
- 8.7 Where the acceptance of a Pending Order or modification of an existing Pending Order would result in a breach of a relevant limit, the relevant Order or modification will be rejected by our Platform, save where agreed otherwise between you and our client management team.
- 8.8 In addition, an Account may be subject to a limit restricting the number of CFD Margin Trades, Positions and/or Pending Orders that could result in opening a new Position or CFD Margin Trade on the Account at any time. This limit is set by us in our sole discretion. We are entitled to vary such a limit at any time in accordance with clause 9.3 and it is your responsibility to ensure that you know what the current limit is before entering any new Position or CFD Margin Trade, or placing a new Pending Order by checking the information available on the Platform.

## **9. Profit Or Loss.**

- 9.1 Details of the Unrealised Profit Or Loss (and its relationship to Realised Profit or Realised Loss) for any individual CFD Margin Trade are provided via the Platform. The Platform will set off any unrealised profits against any unrealised losses on all Positions on your Account.
- 9.2 The Unrealised Profit Or Loss displayed on our Platform at any time may not accurately reflect the Realised Profit or Realised Loss that would be gained or incurred if you closed one or all of your CFD Margin Trades immediately.
- 9.3 Any Realised Loss will become due and payable immediately.

## **10. Corporate Action, Adjustment Events or Insolvency.**

- 10.1 A Corporate Action or an Adjustment Event may occur in relation to the underlying asset of a Product. If a Corporate Action or an Adjustment Event occurs, we may, but are not obliged to, take appropriate action (in our reasonable opinion) to:
- (a) replicate this in your Order or CFD Margin Trade, including but not limited to suspending the Product;
  - (b) adjust and/or cancel your Orders;
  - (c) reflect any action taken by counterparties to trades in respect of such underlying assets of the Product that we have entered into in order to hedge or offset our exposure to you; or
  - (d) preserve the economic equivalent of your Order or CFD Margin Trade immediately prior to the Corporate Action or Adjustment Event which may have consequences on your CFD Margin Trade.
- 10.2 We may, but are not obliged to, give you notice of any applicable action that we may decide to take under paragraph 10. If we choose to notify you under this paragraph 10.2, this may be after the relevant Corporate Action or Adjustment Event or after the relevant action which we may take in our discretion under this paragraph 10.
- 10.3 If an issuer, whose securities form the basis of a Product, becomes insolvent or similar, all CFD Margin Trades on that Product may be closed by us, generally at a Price of zero (0). If you have a CFD Margin Trade on any such Product, we shall provide you with notice of this.
- 10.4 If the Price of the underlying asset that a Product is based upon is suspended, we may, in our sole discretion, close any CFD Margin Trades in that Product at a Price that is fair and reasonable. Such Price may be different for a buy and sell CFD Margin Trade and may be at a Price of zero (0). We will notify you of the date and Price at which such CFD Margin Trade will be closed. We reserve the right to request additional Margin and/or any reasonably foreseeable associated costs incurred by CMC Markets (or any of our Associates) in connection with any suspension of a Product or the relevant underlying asset of a Product. We may in our reasonable discretion also refuse or delay giving effect to your request for a withdrawal of money from your Account in connection with any suspension or likely suspension of a Product or the relevant underlying asset of the Product.

## **11. Account Close-Out.**

- 11.1 Account Close-Out can be triggered in the following circumstances:
- (a) You must ensure that for each Account your Account Revaluation Amount is at all times above the applicable Close-Out Level for your Account displayed on our Platform. Where your Account Revaluation Amount is less than the applicable Close-Out Level, our Platform may automatically initiate Account Close-Out in accordance with your Account settings. Further details on the applicable Close-Out Level for your Account, and the methods of Account Close-Out can be found on our Platform.
  - (b) In addition, you must ensure that your Account is not on Margin Call for a continuous period of seven (7) twenty-four (24) hour periods. If you are on Margin Call for more than seven (7) twenty-four (24) hour periods, our Platform may automatically initiate Account Close-Out in accordance with your Account settings.
- 11.2 Account Close-Out does not and is not intended to limit your entire liability to us in respect of your CFD Margin Trades. You can lose more than your investment and you may be required to make further payments.
- 11.3 Where you have open CFD Margin Trades relating to Manual Products or Manual Orders, if the Platform has carried out an Account Close-Out and your Account Revaluation Amount is still at or below the Close-Out Level the client management team will (as it sees fit in its sole discretion) manually close all or a portion of the CFD Margin Trades relating to Manual Products or Manual Orders within the applicable Trading Hours and where trading is not otherwise suspended.
- 11.4 Where we have agreed to provide you with the sales trader service, if our client management team has previously agreed with you that it may suspend or override any Account Close-Out initiated by the Platform and your Account Revaluation Amount falls to an Amount at or below the Close-Out Level, our client management team may (as it sees fit in its sole discretion) during office hours try to contact you to request payment into the Account. If the client management team is unable to contact you and/or you are unable to fund your Account within a reasonable time, it may manually close all or a portion of the CFD Margin Trades in respect of any Product (including those relating to Manual Products or Manual Orders) within the applicable Trading Hours and where trading is not otherwise suspended.

## SCHEDULE 1B - TERMS FOR OPTION CFDS

This Schedule 1B of these Terms of Business sets out terms that apply specifically to investing in our CFD Margin Trades on any Account.

### 1. Option CFDs.

- 1.1 An Option CFD is an over the counter cash-settled contract which provides its holder with the right, but not the obligation, to buy or sell the relevant underlying asset without the usual costs and rights associated with an investment in that underlying asset, provided any Attributes necessary for the exercise of that Option CFD are satisfied at the Expiry Date and Expiry Time. However, other costs and rights will apply to an Option CFD. An Option CFD will not entitle you or us to any rights in relation to the underlying asset of that Option CFD and exercise of an Option CFD cannot and does not result in the acquisition or disposal of any instrument of or by you.
- 1.2 An Option CFD may only be exercised by you on the Expiry Date at the Expiry Time. Where an Option CFD is not capable of exercise at the Expiry Date and Expiry Time, because the relevant Attributes have not been satisfied, that Option CFD will have no worth and will automatically expire at the Expiry Date and Expiry Time.
- 1.3 You are able to trade two types of option contracts with us: a Long Option CFD and a Short Option CFD:
  - (a) When you enter into a "Long Option CFD", you will be the person with the right to exercise that Long Option CFD on the Expiry Date if the Attributes are satisfied at that date;
  - (b) When you enter into a "Short Option CFD", we will be the person with the right to exercise that Short Option CFD on the Expiry Date if the Attributes are satisfied at that date.
- 1.4 It is important to note that, for a Long Option CFD, your potential loss is capped at the amount of the Premium for that particular Long Option CFD, and where the Product Currency differs from your Account Currency, any fluctuations in the exchange rates. However, when you enter into Short Option CFD, the value of your potential loss is unlimited.

### 2. Products.

- 2.1 You will be able to access relevant information on each Product, including its Attributes, through the Product Library. The Products available may vary depending on the Account type and/or feature. Please see the Platform for details of which Products are available.
- 2.2 You may only enter into or close Option CFDs via our Platform and/or through our client management team during the Trading Hours specified in the Product Library for the relevant Product. - 3.1 During the Trading Hours for any Product, our Platform will generate Prices and Price Depth subject to clauses 4.2.1, 8.2 and 8.3 as well as paragraph 10 of this Schedule 1B and you acknowledge that these Prices may differ at any time to those displayed on your device.
- 3.2 If we have agreed to provide you with the sales trader service, subject to clauses 4.2.1, 8.2 and 8.3 as well as paragraph 10 of this Schedule 1B, our client management team will quote Prices, you acknowledge that these Prices may differ at any time to those displayed on the Platform.
- 3.3 The Price at which an Order will be executed may be less favourable to you than the Price displayed on our Platform and/or provided to you by our client management team when you place the Order and you are responsible for checking the Price at which an Order may have been executed.

### 4. Currency Conversions.

- 4.1 All Deductions and credits applied to your Account will be in the relevant Account Currency. Where the relevant Product Currency is different to the relevant Account Currency, all calculations of Deductions and credits will be undertaken in the Product Currency and converted into the Account Currency at the Currency Conversion Rate.
- 4.2 Where the relevant Product Currency is different to the relevant Account Currency, all calculations of Margin will be in the Account Currency. The indicative Premium will be displayed on the Platform in the Product Currency. However, the Premium will be converted into the Account Currency at the Currency Conversion Rate at the point your Option CFD is closed or expires.
- 4.3 Our Platform will retain information about the Currency Conversion Rate in relation to your Account.
- 4.4 If you transfer funds to your Account which is in a different currency to your Account Currency, those funds will be transferred to your Account using an exchange rate that is displayed on the Platform.

### 5. Orders.

- 5.1 To enter into an Option CFD, you must place an Order on our Platform that identifies the Product and provides the information requested on our Platform in relation to that Product. The types of Order available to you in respect of a particular Product and the details of when those Orders might be placed or modified will be set out on our Website and further specified on our Platform.

- 5.2 An Order will only be deemed to be received by our Platform at the time at which our Platform actually receives it, which may not be immediately after you submit that Order. Placing an Order does not guarantee that an Option CFD will be entered into as we reserve the right to reject your Order without any explanation. A record of any executed or rejected Orders can be accessed through our Platform.
- 5.3 You must contact our client management team to enter into an Order for:
- 5.3.3 a Manual Product; or

6. Our Platform may combine and net your Option CFDs at the same time in respect of the same Product. Further details on netting including how to disable it in relation to your Account can be found on our Platform and/or through our client management team.
- 6. Margin and Premium.**
- 6.1 We will apply a variety of Margin and Premium requirements to any Order for an Option CFD you place on our Platform which you are required to meet in order to place that Order. We provide detailed information on our Platform regarding these requirements.
- 6.2 It is your responsibility to maintain at all times such Margin requirements as we, in our sole discretion, may require from time to time for or in an Account, and you shall deposit such Margin on demand by us or at such other time as may be required by us, in our sole discretion. The Margin requirements in respect of any Option CFD may fluctuate and you may incur losses from any Option CFD that exceed the Margin you have provided to us for your Positions.
- 6.3 We retain sole discretion on whether we permit you to enter into Option CFDs on a leveraged basis.
- 6.4 The Premium for any Option CFD is calculated at the time of the Order is placed and displayed in the Product Currency. Where you enter into a Long Option CFD, you will owe us the Premium and where you enter into a Short Option CFD, we will owe you the Premium.
- 6.5 Premium will be settled on a net basis in the Account Currency at the time of either the date on which an Option CFD is closed or on the Expiry Date at the Expiry Time, whichever comes sooner:
- (a) At the point in time at which a Long Option CFD is closed or expires, the value of the Premium will be deducted from your Account Value or from any Realised Profit in relation to the Option CFD in general. If the Product Currency and the Account Currency differ, then a Currency Conversion Rate will apply at the point of net settlement of the Premium.

Any restriction applicable to an Account will apply across all Accounts that you hold with CMC Markets. If we have agreed to provide you with the sales trader service, we may, at our sole discretion, waive such limits in relation to your Option CFDs.

- 9.4 Where the acceptance of a Pending Order or modification of an existing Pending Order would result in a breach of a relevant limit, the relevant Order or modification will be rejected by our Platform, save where agreed otherwise between you and our client management team.
- 9.5 In addition, an Account may be subject to a limit restricting the number of Option CFDs, Positions and/or Pending Orders that could result in opening a new Position or Option CFDs on the Account at any time. This limit is set by us in our sole discretion. - (a) replicate this in your Order or Option CFDs;
  - (b) adjust and/or cancel your Orders;
  - (c) reflect any action taken by counterparties to trades in respect of such underlying assets of the Product that we have entered into in order to hedge or offset our exposure to you; or
  - (d) preserve the economic equivalent of your Order or Option CFDs immediately prior to the Corporate Action or Adjustment Event which may have consequences on your Option CFDs.
- 11.2 We may, but are not obliged to, give you notice of any applicable action that we may decide to take under paragraph 11. If we choose to notify you under this paragraph 11.2, this may be after the relevant Corporate Action or Adjustment Event or after the relevant action which we may take in our discretion under this paragraph 11.

- (b) You must ensure that for each Account your Account Revaluation Amount is at all times above the applicable Close-Out Level (including Prime Close-Out Level if applicable) for your Account displayed on our Platform. Where your Account Revaluation Amount is less than the applicable Close-Out Level, our Platform may automatically initiate an Account Close-Out in accordance with your Account settings. Further details on the applicable Close-Out Level for your Account, and the methods of Account Close-Out, can be found on our Platform or by contacting the client management team.
  - (c) In addition, you must ensure that your Account is not on Margin Call for a continuous period of seven (7) twenty-four (24) hour periods. If you are on Margin Call for more than seven (7) twenty- four (24) hour periods, our Platform may automatically initiate Account Close-Out in accordance with your Account settings.
- 12.2 Account Close-Out does not and is not intended to limit your entire liability to us in respect of your Option CFDs. You can lose more than your investment and you may be required to make further payments.
- 12.3 Where you have open Option CFDs relating to Manual Products or Manual Orders, if the Platform has carried out an Account Close-Out and your Account Revaluation Amount is still at or below the Close-Out Level the client management team will (as it sees fit in its sole discretion) manually close all or a portion of the Option CFDs relating to Manual Products or Manual Orders within the applicable Trading Hours and where trading is not otherwise suspended.

## SCHEDULE 1C - PRODUCT TERMS FOR COUNTDOWNS

This Schedule 1C sets out terms that apply specifically to Countdowns on any Account. Countdowns may not be available to all of our clients.

### 1. Countdowns.

- 1.1 A Countdown allows you to speculate on whether the Settlement Price of a Product will have moved up or down at the end of a specified timeframe. The only criteria for determining whether you win, lose, or draw a Countdown is whether, corresponding with or against your prediction, the Settlement Price of a Product at the point of time of expiry of the Countdown is above, below or equal to the relevant Countdown Opening Price.
- 1.2 The Stake will be deducted from the Cash in your Account at the point the Countdown is opened. If your Countdown prediction:
  - (a) 1.2.1 is incorrect you will lose your Stake;
  - (b) 1.2.2 is correct, your Stake will be returned to your Account, along with an additional Amount (the "Countdown Profit") calculated by multiplying the Stake by a win percentage, as specified in the Product Library for that Product (the "Win Percentage"); or
  - (c) 1.2.3 is neither correct nor incorrect (i.e. the Settlement Price is equal to the Countdown Opening Price when the Countdown expires), a portion of the Stake calculated by multiplying the Stake by a draw percentage, as specified in the Product Library for that Product (the "Draw Percentage"), will be returned to your Account.
- 1.3 All Countdowns will be denominated in the Account Currency.
- 1.4 You will be able to see which Products you can place Countdowns on and access relevant information on each of these Products through the Product Library.

### 2. Countdown Opening Prices and Settlement Prices.

- 2.1 During the Trading Hours for any Product, our Platform will generate Countdown Opening Prices and Settlement Prices, subject to clauses 4.2.1, 8.2 and 8.3, as well as paragraph 7.2 of this Schedule 1C. You may only enter into Countdowns during the Trading Hours for the relevant Product. It is your responsibility to monitor the Trading Hours specified in the Product Library from time to time.
- 2.2 The Countdown Opening Price applicable to any particular Countdown will be generated by and displayed on our Platform and displayed on the Order Ticket when the Countdown is opened.
- 2.3 Countdowns will be settled against the Settlement Price of the relevant Product at the expiration of the relevant Countdown. For the avoidance of doubt the Countdown Opening Price and Settlement Price are relevant only for determining whether you win, lose, or draw a Countdown and not for determining the amount of your profit or loss.
- 2.4 The Countdown Opening Price at which a Countdown is opened may be less favourable to you than the Countdown Opening Price displayed on our Platform when you placed the Order.

### 3. Orders.

- 3.1 To enter into a Countdown, you must place an Order on our Platform that identifies the Product and specifies the Stake, and provides the information requested on our Platform in relation to that Product. An Order to enter into a Countdown will only be deemed to be received by our Platform at the time at which our Platform actually receives it, which may not be immediately after you submit that Order.
- 3.2 Placing an Order for a Countdown does not guarantee that a Countdown will be entered into. Our Platform and/or we may reject your Order to enter into a Countdown without any explanation.
- 3.3 An Order to enter into a Countdown will be accepted, and a Countdown will be entered into, when the Order is executed by our Platform. Our Platform will record any execution of your Orders, and you can access the relevant information on executed Orders through our Platform.
- 3.4 If the conditions of an Order to enter into a Countdown are met, but at that time your Available Cash is lower than the Stake, the Countdown will not be entered into.
- 3.5 When a Countdown is opened, the Stake immediately becomes payable and a corresponding change will be made to the Cash in your Account. If the Countdown is subsequently cancelled or becomes void the Stake will be returned to the Cash in your Account.
- 3.6 All Countdowns open on the same Product at the same time on an Account are aggregated and subject to netting for the purposes of calculating the size of your Position in the relevant Product.
- 3.7 Orders used to enter Countdowns in the same Product will, if and when executed, open a new Countdown, even if there is already an open Countdown in the same Product in the opposing direction.

### 4. Closing Countdowns.

- 4.1 Once a Countdown has been entered into, it cannot be closed by you. All Countdowns will be closed and settled by our Platform automatically on expiration of the Countdown.
- 4.2 We reserve the right to instruct our Platform to close any Countdown when we take a Reserved Action or exercise any of our other rights under the Agreement.

## **5. Limits.**

5.1 In addition to any maximum Stake specified in the Product Library, Orders and Countdowns in respect of any Product may be subject to limits restricting the number of Countdowns and/or Positions on the Account at any time. These limits are set by us in our sole discretion and may vary between Accounts.

5.2 We are entitled to vary these limits at any time in accordance with clause 9.3 and it is your responsibility to ensure that you know what all the current limits are before entering into any Countdown by checking the information available on the Platform, as our Platform will automatically reject Orders that would result in a breach of an applicable limit.

## **6. Profit Or Loss.**

6.1 Your potential loss for any individual Countdown is limited to the size of the Stake. The potential profit for any individual Countdown will be specified in the Product Library and will be unchanged over the life of the Countdown. It is denominated in the Account Currency.

6.2 When a winning Countdown is settled, any payout will immediately become due to you and a corresponding change will be made to the Cash in your Account.

6.3 If a Countdown is neither winning nor losing, but expires at a Settlement Price equal to the Countdown Opening Price, an amount equal to your Stake multiplied by the Draw Percentage will immediately become due to you and a corresponding change will be made to the Cash in your Account.

## **7. Pricing Errors.**

7.1 From time to time a Pricing Error may occur which prevents our Platform from determining the Settlement Price for a Countdown.

7.2 If we become aware of a Pricing Error during the life of the Countdown, we may, provided it is fair and reasonable in the circumstances, declare that Countdown void and return the Stake to the Cash in your Account.

7.3 If we become aware of such Pricing Error at or after the expiration of a Countdown, we will look at the age of the last available Settlement Price and either:

- (a) cancel the Countdown and return the Stake to the Cash in the relevant Account if the last available Settlement Price is older than half (50%) of the timeframe of the relevant Countdown; or
- (b) subject to paragraph (a) of this Schedule 1C, if there is no available Settlement Price for a Product within the last 15 seconds of the Countdown or, if the timeframe of the Countdown is less than a minute, within the last quarter (25%) of the timeframe of the relevant Countdown, settle the Countdown at such Settlement Price as we determine to be fair and reasonable, based on the last Settlement Price available immediately prior to the Pricing Error.

## **8. Account Close-Out.**

8.1 Countdowns will not be closed during Account Close-Out.
