1. INTRODUCTION

Investing in our Products or other financial derivatives instruments carries a high level of risk to your capital, which may not be appropriate for all investors. The prices of our Products may change to your disadvantage very quickly. When investing in CFD Margin Trades, it is possible to lose more than your investment and you may be required to make further payments. Therefore you should ensure you understand the risks involved and seek independent, financial and professional advice if necessary.

1.1 Our agreement with you.

- 1.1.1 This document (referred to as the “Terms”) is part of a wider agreement between you (also referred to as “our client”, “you” and “you”) and CMC Markets Singapore Pte. Ltd. (also referred to as “CMC Markets”, “we”, “us” and “our”) in relation to your CFD investment activities carried on with us.
- 1.1.2 Capitalised words in these Terms, the Risk Warning Notice and the OEP have a special meaning which are explained in the Definitions section in Schedule 3.
- 1.1.3 Our agreement with you consists of these Terms, our OEP, our Risk Warning Notice and any specific terms and conditions you accept on the Platform. These documents are available on our Website and through our Platform and are together referred to as the Agreement. In accordance with clause 9, we will notify you of any changes to the Agreement. You must ensure that you keep informed of these changes. If we agree to provide you with our sales trader service, we will provide confirmation in writing. Any additional terms offered by us in writing and agreed by you in writing in relation to that service will form part of the Agreement.
- 1.1.4 There are additional documents and information available to you on our Website and through our Platform which contain useful information but are not part of the Agreement. These include our Summary of Conflicts of Interest Policy, our Privacy and Security Policy and our Complaints Procedure.
- 1.1.5 For your own benefit and protection, you should take sufficient time to read the Agreement, as well as the additional documents and information available on our Website and through our Platform, before you apply to open an Account and/or place any Order. If you do not understand any aspect of this Agreement, you should contact us before opening an Account, or you should seek independent professional advice.
- 1.1.6 It is our intention that this Agreement contains all the terms and conditions that govern our relationship and your activities carried on with us in relation to the Platform and supersedes any prior oral or written representations and/or agreements between you and us which relate to our Platform.

2. REGULATORY MATTERS

2.1 Our regulatory status.

- 2.1.1 CMC Markets has its registered office at 9 Raffles Place #30-02, Republic Plaza Tower I, Singapore 048619 (or such other address as we may publish on our Website from time to time), and is regulated by the Monetary Authority of Singapore (“MAS”). (www.mas.gov.sg). CMC Markets is not regulated by MAS in respect of dealing in CFDs on commodities or CFDs on any other underlying instruments where such CFDs are not subject to regulation under the Securities and Futures Act, Chapter 289. Please note that if you are outside Singapore, you may have no recourse to the regulators in your country.

2.2 Client categorisation.

- 2.2.1 We will treat you as a retail client for the purposes of Applicable Law, unless we have informed you otherwise in writing. You have the right to request a different client categorisation (e.g. as a retail, an accredited, an institutional or an expert investor) in so far as and to the extent you are able to satisfy the relevant requirements prescribed under the Applicable Law. We shall provide you with reasonable prior notice if we

decide to categorise you as an accredited, an institutional or an expert client (whether or not at your request). You should be aware that you will not be entitled to certain protections afforded to retail clients.

2.3 Non-advised dealing.

2.3.1 All CFD Margin Trades and Countdowns will be entered into on a principal-to-principal, non-advised and execution only basis. This means that unless we agree otherwise in writing neither you nor we can act as agent, attorney, trustee or representative for any other person. Other than an Authorised Person appointed in relation to an Account in accordance with clause 3.3.1, you will not permit any person to deal with us on your behalf.

2.3.2 We do not provide investment, financial, legal, tax, regulatory or similar advice. Any information or other features provided to you must not be treated as advice that is suitable for you or as advice that is based on a consideration of your personal circumstances. We are not responsible for any investment decisions that you make.

2.4 Complaints and disputes.

2.4.1 We maintain a 'Complaints Procedure', which can be accessed on our Website. You agree that we will investigate any complaints received in accordance with our Complaints Procedure. Following our investigation of any complaint or dispute, we will use reasonable endeavours to notify you of the results of our investigation as soon as is reasonably practicable.

2.4.2 In accordance with clause 6.1.1, we will respond to any communication, complaint, claim or dispute in English. Any translation provided shall be for convenience only and to the extent there is a conflict between the English version and any translation, the English version shall prevail.

2.5 Compensation.

2.5.1 If we cannot meet our obligations to you under the Agreement, depending on your eligibility, status and the circumstances of your claim, you may refer the matter to the Financial Industry Disputes Resolution Centre Ltd ("FIDReC"), 36 Robinson Road, #15-01, Singapore 068877 (www.fidrec.com.sg) or at such other office as FIDReC may publish from time to time.

2.6 Order execution, conflicts of interest, risk warnings and Price sources.

2.6.1 We, or our Associates, may have an interest or relationship which conflicts with your interests or our duties to you. You should read our Summary of Conflicts of Interest Policy as this sets out how we identify and prevent or manage all material conflicts of interest.

2.6.2 We enter into all CFD Margin Trades and Countdowns with you using Prices quoted by us through our Platform or through our client management team. Our Prices are not identical to prices for similar financial instruments or their underlyings quoted on an exchange or other regulated market or by other providers. By entering into CFD Margin Trades and/or Countdowns via our Platform or through our client management team you consent to your Orders being executed in accordance with our OEP.

2.7 Duration of the Agreement and your rights to cancel.

2.7.1 The Agreement will become legally binding between you and us on the date that we confirm, in writing, that we have accepted your application to open an Account. Subject to clause 2.7.2, you may cancel the Agreement by giving us notice in writing within fourteen (14) calendar days of this date. Following a valid notice of cancellation, we will return any money that you have transferred to us.

2.7.2 Notwithstanding clause 2.7.1., you will not have the right to cancel this Agreement within fourteen (14) calendar days of your Account opening if you have, in this period, entered into CFD Margin Trades which have been affected by fluctuations in the financial markets or you have entered any Countdowns. You may, however, still close your CFD Margin Trades and your Account in accordance with the Agreement.

3. ACCOUNTS

3.1 Account types and features.

3.1.1 We offer different Account types and features. Depending on your knowledge and experience or client categorisation, some of these may not be available to you. We reserve the right to convert your Account type and/or enable/disable (as applicable) Account features if, in our sole discretion, we determine that a different Account type/feature (as applicable) is more appropriate for you or if otherwise required by Applicable Law.

3.2 Account opening process.

3.2.1 When we receive your completed application form, we may use your information to conduct any further enquiries about you as we (in our sole discretion) determine are necessary or appropriate in the circumstances. You should provide us with information about any relevant factor that could affect your trading activities with CMC Markets. Where our enquiries include searches with credit reference agencies, they may appear on your credit history. We may also carry out any additional checks or periodic reviews that we (in our sole discretion) determine are necessary or appropriate in the circumstances. You will need to co-operate with us and promptly supply any information that we request.

3.2.2 We rely on the information that you provide us in your application form or otherwise as being correct and not misleading at all times, unless you notify us otherwise in writing. We use any information we have about you to make an assessment of whether or not investing in CFD Margin Trades and/or Countdowns and/or

operating an Account with us is appropriate for you. You must notify us as soon as possible in writing if any of the details provided to us in your application form or if your circumstances have subsequently changed.

3.3 Authorised Persons.

3.3.1 If you want to appoint an attorney or agent, you must notify us in writing of any person who is authorised to act on your behalf in relation to this Agreement (an Authorised Person). You and/or the Authorised Person will be required to complete such further documentation as we may reasonably require. We may require evidence that the Authorised Person has authority and is appropriate to act on your behalf.

3.3.2 We may revoke or reject the appointment of an Authorised Person if we know or reasonably suspect that such appointment could result in a breach of the Agreement and/or Applicable Law. You must immediately notify us in writing of any changes to the appointment and/or authority of any Authorised Person.

3.3.3 We shall be entitled to act upon any instructions of, or Orders transmitted by, any Authorised Person or any person who reasonably appears or purports to be an Authorised Person in relation to your Account, notwithstanding that the person is not, in fact, so authorised.

3.3.4 Notwithstanding clause 3.3.3, we will not be under any duty to accept any instructions or Orders from such Authorised Person if we reasonably believe that the Authorised Person may be acting in excess of their authority. Any action taken by an Authorised Person appointed by you or any person who reasonably appears or purports to be an Authorised Person shall be deemed to be an action by you. Any information provided by us to an Authorised Person or any person who reasonably appears or purports to be an Authorised Person will be deemed to have been provided by us to you.

3.3.5 Where you have appointed an Authorised Person to act on your behalf and that person also acts on behalf of other clients of CMC Markets, then the Authorised Person may decide to place a single, aggregated order with us in respect of a Product and allocate the order amongst you and its other clients. We are not responsible for the aggregation and allocation of such orders, and you should consult your Authorised Person for further information on any such order aggregation or allocation.

3.4 Joint Accounts.

3.4.1 If you open a Joint Account:

- (a) references to you are references to any other person in whose name the Joint Account is held;
- (b) we may exercise any of our rights or obligations under this Agreement against any person who is, or reasonably appears or purports to be, named on that Joint Account;
- (c) each Joint Account Holder shall be jointly and severally liable for any financial obligations arising on their Joint Account. This means that any monies owed to us in relation to the Agreement shall be payable in full by anyone named on that Joint Account;
- (d) the death of any Joint Account Holder will be a Specified Event, and the Joint Account will be closed and the balance will be paid equally to the survivor and the relevant Joint Account Holder's estate; and
- (e) we may give any notice or communication to any one or all persons in whose names that Joint Account is held and any notice or communication, made to any one person, shall be deemed as having been made to all Joint Account Holders.

3.4.2 After a Joint Account has been opened, you cannot add or remove persons named on that Joint Account. If you wish to change the Joint Account Holders you must close the Joint Account and open a new one.

3.5 Security and Account authentication.

3.5.1 You are responsible for setting your own password in accordance with the instructions that we will provide to you, as well as keeping all information you hold in your Account confidential. You must notify us immediately if you know or suspect that any person has accessed or may access your Account, or any information you hold in your Account, without your permission. Unless you notify us otherwise under this clause 3.4.1, we will treat any activity on or communication made from your Account as having been authorised by you and you may be liable for such activity up to the point of notification. We may need to change or reset your password and we will notify you if we do this.

4. TRADING WITH US

4.1 Orders.

4.1.1 In addition to our rights to modify, cancel and/or reject your Orders, we may, in our sole discretion, refuse to accept any instructions for any reason whatsoever.

4.1.2 Orders for Manual Products may only be placed, modified, rolled-over or closed through our client management team. You will not be able to place, modify or take any other actions on Manual Products through the Platform.

4.1.3 If we have agreed to provide you with the sales trader service, you will be able to place Manual Orders through our client management team. Manual Orders may only be placed, modified, rolled-over or closed through our client management team, and you will not be able to place, modify or take any other actions on Manual Orders through the Platform.

4.2 Accessing our Platform.

- 4.2.1 We will do our best to make our Platform and our client management team available when required by you, but we cannot guarantee that our Platform or our client management team will be available continuously. Subject to clause 7.3.2(b), we will not be liable to you for any loss which arises as a result of our Platform and/or our client management team being unavailable.
- 4.2.2 You are responsible for making sure that you are able to access our Platform when you need to. This includes having access to a device that can connect to our Platform, maintaining the device so that it functions properly, safely and securely and having adequate internet connectivity.
- 4.2.3 If you cannot access our Platform directly, then you should try to contact our client management team by telephone or email to request assistance. However, this is likely to be much slower than accessing our Platform directly and we cannot guarantee the availability of our client management team.
- 4.2.4 Where our Platform, Website, e-mails or any other content generated by us contains links to other websites and resources provided by third parties, these links are provided for your information only and we accept no responsibility for them or for any loss or damage that may arise from your use of them.

4.3 Information about your trading activity.

- 4.3.1 We provide a range of information relating to your Account on our Platform. It is your responsibility to regularly access and review this information to ensure that it corresponds with your own records. Subject to clause 4.4, this information will be conclusive unless we notify you or you notify us in writing of any mistake, error or inaccuracy.
- 4.3.2 Our Platform will update the information set out in clause 4.3.1 in real time. However, from time to time this may not happen immediately, due to a Circumstances Outside Our Control (see clause 8.2).
- 4.3.3 Subject to clause 4.3.4, we will retain certain information in your Account that we are required to provide you with in relation to an Order, CFD Margin Trade or Countdown to the extent and for the duration required by Applicable Law (usually five (5) years from the date of the relevant Order, CFD Margin Trade or Countdown). You may access this information through our Platform unless the relevant Account has been closed or the Agreement has been terminated. After this period, we may destroy this information or retain it for such further duration as we see fit in our sole discretion and without notice to you.
- 4.3.4 You agree and acknowledge that any applicable contract notes and statements and any other documents may be sent by us to you in electronic form and we shall not be obliged to send such contract notes, statements and any other documents that we may provide by post. You shall verify all such contract notes, statements and documents received from us and they will, in the absence of manifest errors, be conclusive unless you notify us in writing to the contrary within three (3) Business Days of receiving such contract notes, statements, documents (as applicable). You shall immediately notify us in writing if any contract note, statement or any other document is not received by you in the ordinary course of business.

4.4 Errors.

- 4.4.1 From time to time, material errors and omissions may occur in respect of your CFD Margin Trades and/or Countdowns, your Account or our Platform (each an Error). Examples of Errors may include (without limitation): a Pricing Error, our Platform displaying incorrect Prices (whether caused by a third party supplier or due to a problem with our systems), an Order being handled incorrectly by our Platform and/or our client management team (including execution at an incorrect Price or contrary to underlying market conditions) or incorrect Deductions or credits being applied to your Account.
- 4.4.2 If you or we know or suspect, or are aware of circumstances in which you or we ought reasonably to know or suspect, that an Error has occurred:
- (a) as applicable, you must notify us or we will notify you as soon as reasonably practicable, which for the avoidance of doubt may be after an Error has occurred; and
 - (b) we will then use reasonable endeavours to investigate whether there has, in fact, been an Error and/or what caused it.
- 4.4.3 If an Error has occurred then this constitutes a Specified Event and the provisions of clauses 8.1 and 8.3 will apply. We will inform you of any Reserved Actions we may take, or may have taken, in accordance with clause 8.3.2.

5. FINANCIAL MATTERS

5.1 Your money.

- 5.1.1 Subject to clauses 5.2.3 and 5.2.4, we shall hold and maintain an amount equal to your Account Value for each Account you hold with us in a segregated client money bank account. Your Account Value is your Account Revaluation Amount calculated using the Level 1 Price instead of the Level 1 Mid-Price (i.e. the sum of your Cash and any net Unrealised Profit Or Loss (as applicable), where net Unrealised Profit Or Loss is calculated using the Level 1 Price).
- 5.1.2 You consent that we may invest your money in any segregated client money account as stipulated or permitted by the Securities and Futures (Licensing and Conduct of Business) Regulations or otherwise under any Applicable Law and you irrevocably and unconditionally consent that all returns from the investment of your money held in any segregated client money bank account shall accrue to us. Furthermore

you consent that we may maintain one or more segregated trust accounts with a custodian or financial institution outside Singapore, for the purpose of depositing any client money received in a foreign currency.

- 5.1.3 Each Business Day we will carry out client money reconciliations between money required to be held in the client money bank accounts against money held in segregated client bank accounts as at the close of the previous Business Day in accordance with Applicable Law. Any required transfer to or from the client money bank account in respect of your Account will normally take place on the following Business Day.
- 5.1.4 If there has been no activity on your Account for an extended period of time, we may impose dormant Account fees in accordance with clause 5.8.1 and make a Deduction from your Account in accordance with clause 5.4.1.
- 5.1.5 If there has been no activity on your Account in the previous six (6) years, we will make reasonable attempts to contact you regarding any money held in your Account as client money. If we are unable to contact you, you agree that we may cease to treat such money as client money and release it from our client money bank account and pay it to charity in accordance with Applicable Law. We will make and retain records of all balances released from our client money bank account under this clause. Unless such money is below S\$200 it will remain owing to you and we will undertake to make good any valid claims against such released money.
- 5.1.6 We do not accept responsibility for any loss or damage suffered by you as a result of you trading on money placed in or credited to your Account in error by us or on our behalf. We will be entitled at any time and in our sole discretion to deduct, without notice or recourse to you, any money placed in or credited to your Account in error by us or on our behalf.
- 5.1.7 We will not pay interest to you on any money held on your behalf or otherwise under this Agreement.

5.2 Payments and withdrawals.

- 5.2.1 You are responsible for making any payments to us which are required under the Agreement. We may reject any payment that is not made in accordance with our payment procedures (details of which are available on our Platform or from our client management team upon request).
- 5.2.2 When making payments to us, you may wish to leave "headroom", especially during volatile and potentially volatile periods, (i.e. an Amount that ensures you have sufficient funds above your Margin requirements and that your Account Revaluation Amount is in excess of your total Margin requirements (if applicable) or the Amount required to keep the Account Revaluation Amount above the applicable Close-Out Level on any Account). You should consider your Positions, CFD Margin Trades, Countdowns and Pending Orders, the volatility of the particular Product concerned and the relevant markets for the underlying asset, the time it will take for you to make further payments of cleared funds to us and any other matter which you may think relevant.
- 5.2.3 Any payment made by you will only be given effect once our systems have credited it to the relevant Account and it is shown on our Platform. We cannot guarantee how long this process will take and, subject to clause 7.3.2(b), we will not be liable to you for any loss arising as a result of any delay in us crediting any payment to your Account.
- 5.2.4 You are responsible for any costs and charges incurred in the process of making any payment to your Account. You may also be liable for other charges that are not imposed by us, including bank transfer fees, and fees to internet and telephone service providers. If you make a payment by debit card or credit card or withdraw money from an Account, we may charge an administration fee to process that payment and/or withdrawal in accordance with Applicable Law.
- 5.2.5 You may make a request to withdraw money up to the lower of your Available Equity or Cash from your Account. Details on how to make withdrawals of money from your Account are available on our Website or from our client management team upon request.
- 5.2.6 Unless we agree otherwise or in order for us to comply with Applicable Law, we will only accept a request for a withdrawal of money from an Account that is given directly by you or certain Authorised Persons. We will not accept any request for a withdrawal of money from an Account from any other person. Withdrawals of money from your Account will only be made in the Account Currency and will only be processed by us where the destination for the money being withdrawn is to an account in your name, which you have registered with CMC Markets, unless (subject to our prior approval) you have notified us in writing that your payment details have changed.
- 5.2.7 We may in our reasonable discretion refuse or delay giving effect to your request for a withdrawal of money from your Account (in whole or in part), including as a result of any request to close that Account under clause 9.6.1. We will notify you as soon as reasonably practicable if we decide to refuse or delay giving effect to your request for a withdrawal and such action shall be a Specified Event (see clause 8.1).
- 5.2.8 If your Account has a negative Cash value following Account Close-Out or termination of this Agreement, that negative Cash value represents a debt owed to us which is due and payable immediately.
- 5.2.9 If we have agreed to provide you with the sales trader service, any negative balance should be cleared promptly regardless of whether the balance is within the relevant Close-Out Level.

5.3 Currency.

5.3.1 The Account Currency of an Account will be Singapore Dollar (SGD) unless otherwise agreed by us at the time you open the Account, and any payment obligations in relation to that Account must be settled in that Account Currency.

5.4 Our right to deduct money from your Account.

5.4.1 Any money due to us under the Agreement, or required to be deducted by Applicable Law (including for tax purposes), may be deducted from any money held by us in respect of your Account. This is our right to make a Deduction.

5.5 Our right of Set-Off in relation to your Account.

5.5.1 We may, at any time and without notice to you, apply any positive Cash balances in any account with us or our Associates, or any money due to you from us, against any money due to us (or any of our Associates) under any account with us or our Associates from you. This is our right of Set-Off. We may apply the Currency Conversion Rate to convert the relevant Cash balances and any money due to you or us into the same currency. If we exercise our right of Set-Off, we will give you notice of the Amount of any debt that remains unsatisfied and such debt is immediately payable to us.

5.6 Netting of payment obligations between us and you.

5.6.1 If at any time in relation to any one Account:

- (a) you owe us and we owe you the same amount of money in the same currency, then both your and our obligation will each be automatically satisfied and discharged; or
- (b) you owe us and we owe you a different amount of money in the same currency, then whichever of you or us owes more may pay the excess to the other party and both your and our obligations will be satisfied and discharged.

5.7 Taxes.

5.7.1 If we are required to pay any withholding tax or other levies on your behalf, we reserve the right to deduct such amounts from your Account or otherwise require you to pay or reimburse us for such payments.

5.7.2 We are entitled to deduct or withhold, in our sole discretion, any tax required by Applicable Law from any payment or credit made to your Account. Your tax treatment in relation to CFD Margin Trades and/or Countdowns may differ according to your circumstances and you may wish to seek independent professional advice in this regard.

5.7.3 All charges will be made inclusive of any value added taxes or similar consumption taxes as applicable.

5.8 Costs.

5.8.1 There are costs associated with trading with us. Details on these costs can be found via our website and Platform, and in these Terms. We may impose and/or vary costs from time to time where we have a valid reason for doing so. We will give you notice of any change to costs in accordance with clause 9.

5.8.2 We will charge Holding Costs for certain CFD Margin Trades, details of which are available on our Platform. You must have sufficient Cash in your Account to meet any Holding Cost. We may, in our reasonable discretion, use Cash in your Account to reduce the amount of any Holding Cost you owe us.

5.8.3 If you subscribe for certain Products, a market data subscription fee may apply. Different market data subscription fees will apply if you are not classified as a Private Investor and full details of such fees can be found on our Platform. In order to qualify as a Private Investor, you and all Authorised Persons must satisfy the conditions of a Private Investor (as set out in Schedule 3).

6. COMMUNICATIONS

6.1 Communications between you and us.

6.1.1 The Agreement and all communications between us and you in relation to it will be in English or Chinese. Accordingly, you confirm that you have a proper knowledge and full understanding of the English or Chinese language. The Platform, including its features and information within it, will be provided in English by default but certain features (such as market commentary) may only be available in English. You may be able to select another language for the Platform, its features and information. You should only select another language if you possess a proper knowledge and full understanding of that language. If you select another language, you do so entirely at your own risk.

6.1.2 You consent to us communicating with you through our Platform or any CMC Markets' operated system that we make available to you from time to time, by e-mail, by placing such information on our Website and/or by any other method agreed in writing. You also authorise us to communicate with you by letter, telephone, sms or e-mail, to discuss matters in relation to your Account or to inform you about operational changes to our Platform. You agree that we may record all such communications (see clause 10.1.5).

6.1.3 Where the Agreement requires you to communicate to us in writing, you can send us an e-mail from the e-mail address associated with your Account to clientmanagement@cmcmarkets.com.sg, or for clients that receive the sales trader service any CMC Markets email address provided by us, or send us a letter by post.

6.2 Deemed timing for communications.

- 6.2.1 Subject to clause 6.2.2 any communication between us and you that is required to be made in writing under the Agreement will be deemed (in the absence of evidence to the contrary) to have been received:
- (a) if made by us to you via our Platform, one (1) hour after such communication is made available on our Platform;
 - (b) if made by you to us via our Platform, one (1) hour after such communication is received on our Platform;
 - (c) if sent by e-mail by you to us or by us to you, one (1) hour after sending;

- 6.2.2 Any changes to Attributes, Prices, Countdown Opening Prices, Settlement Prices, GSLO Premiums or Rates (in accordance with clause 9.3.1) will be deemed to have been received immediately.

7. REPRESENTATIONS AND LIABILITY

7.1 Your declarations and assurances.

- 7.1.1 Where we provide services to you under this Agreement, we are entitled to rely on the following declarations and assurances as having been confirmed by you to be true and accurate (and you must notify us immediately in writing if this is not the case):
- (a) your use of our Platform and/or services is not for any Improper Use;

For the purposes of this clause 7.1.1(i), it is assumed that the CFD Margin Trade is of a type that has been declared to be subject to the clearing obligation in accordance with the Applicable Law.

7.2 Your obligations if you breach the Agreement.

- 7.2.1 If you believe or have reason to believe that you have breached any term of the Agreement, then you must inform us immediately in writing.

SCHEDULE 1 - TERMS FOR CFD MARGIN TRADES

This Schedule 1 of these Terms of Business sets out terms that apply specifically to investing in our CFD Margin Trades on any Account.

1. CFD Margin Trades.

- 1.1 A CFD Margin Trade is a cash-settled contract which seeks to track an investment in the relevant underlying asset without the usual costs and rights associated with an investment in that underlying asset. However, other costs and rights will apply to a CFD Margin Trade. A CFD Margin Trade will not entitle you or us to any rights in relation to the underlying asset of that CFD Margin Trade.

2. Products.

- 2.1 You will be able to access relevant information on each Product, including its Attributes, through the Product Library. The Products available may vary depending on the Account type and/or feature. Please see the Platform for details of which Products are available.
- 2.2 You may only enter into or close CFD Margin Trades via our Platform and/or through our client management team during the Trading Hours specified in the Product Library for the relevant Product. It is your responsibility to monitor the Trading Hours as specified in the Product Library. Some but not all types of Orders may be submitted through our Platform and/or our client management team outside of the Trading Hours for the relevant Product.

3. Prices.

- 3.1 During the Trading Hours for any Product, our Platform will generate Prices and Price Depth subject to clauses 4.2.1, 8.2 and 8.3 as well as paragraph 12 of this Schedule 1 and you acknowledge that these Prices may differ at any time to those displayed on your device.
- 3.2 If we have agreed to provide you with the sales trader service, our client management team will quote Prices, subject to clauses 4.2.1, 8.2 and 8.3 as well as paragraph 11 of this Schedule 1 and you acknowledge that these Prices may differ at any time to those displayed on your device.

4. Currency Conversions.

- 4.1 All Deductions and credits applied to your Account will be in the relevant Account Currency. Where the relevant Product Currency is different to the relevant Account Currency, all calculations of Deductions and credits will be undertaken in the Product Currency and converted into the Account Currency at the Currency Conversion Rate.
- 4.2 Our Platform will retain information about the Currency Conversion Rate in relation to your Account.

5. Orders.

- 5.1 To enter into a CFD Margin Trade, you must place an Order on our Platform that identifies the Product and provides the information requested on our Platform in relation to that Product. The types of Order available to you in respect of a particular Product and the details of when those Orders might be placed or modified will be set out on our Website and further specified on our Platform.
- 5.2 An Order will only be deemed to be received by our Platform at the time at which our Platform actually receives it, which may not be immediately after you submit that Order. Placing an Order does not guarantee that a CFD Margin Trade will be entered into as we reserve the right to reject your Order without any explanation. A record of any executed or rejected Orders can be accessed through our Platform.
- 5.3 You must contact our client management team to enter into an Order for:
- 5.3.1 a Manual Product; or
 - 5.3.2 if we have agreed to provide you with the sales trader service, a Manual Order.

- 5.5 Subject to the provisions of this Schedule 1, you and/or we may modify or cancel any Pending Order at any point until that Order has been executed. An Order for a Manual Product or a Manual Order may only be modified or cancelled through our client management team.
- 5.6 If your Account has insufficient Available Equity to meet the relevant Margin requirements for that Order, we will not execute that Order unless we have agreed to provide you with the sales trader service and our client management team agree otherwise.
- 5.7 In respect of a Roll-Over, it is your responsibility to ensure that the Account has sufficient Available Equity to meet the relevant Margin requirements. Certain Products are subject to Auto-Roll Over and further details on these procedures, including circumstances where Auto-Roll Over may be disabled, are provided on our Platform.

- 8.1 You may set a variety of risk management options in respect of a CFD Margin Trade at any time via the Platform. Further information on the types of risk management options are available on our Platform.
- 8.2 You must not place a Guaranteed Stop Loss Order on a CFD Margin Trade if a Guaranteed Stop Loss Order is already attached to an existing CFD Margin Trade in the opposite direction in the same Product. This restriction and any other restriction applicable to an Account will apply across all Accounts that you hold with CMC Markets.
- Shield Mode.*
- 8.3 If you have no open CFD Margin Trades, we may offer to enable the Shield Mode on your Account. The Shield Mode will:
- 8.3.1 ensure that you will not lose more than the Amount you have deposited with us. If the Shield Mode is enabled and at any time you have a negative Cash value on your Account, we will waive our right to claim the deficit and will return the Account balance to zero (0), subject always to our right of Set-Off under clause 5.5.1. The Shield Mode does not affect your obligation to ensure your Account Revaluation Amount is at all times above the applicable Close-Out Level displayed on our Platform and we retain the right to close any open CFD Margin Trades if you fail to maintain sufficient funds on your Account to keep your Account Revaluation Amount above the applicable Close-Out Level; and
- 8.3.2 affect the execution of all Orders for CFD Margin Trades, prohibiting you from either:
- (a) opening any CFD Margin Trade not fully covered by a Guaranteed Stop Loss Order; or
- (b) modifying and/or cancelling the Guaranteed Stop Loss Orders on your CFD Margin Trades.
- 8.4 You can enable and disable the Shield Mode at any time by calling our client management team.
- Limits on your CFD Margin Trades.*
- 8.5 We will set various limits in relation to your CFD Margin Trades and it is your responsibility to ensure that you know what all the current limits are before placing or modifying any Order to open a CFD Margin Trade by checking the information available on the Platform. If we have agreed to provide you with the sales trader service, we may, at our sole discretion, waive such limits in relation to your CFD Margin Trades.
- 8.6 If, at the time an Order would otherwise be executed, the execution of that Order would result in a breach of a limit relevant to that type of Order, the Order will be automatically rejected.
- 8.7 Where the acceptance of a Pending Order or modification of an existing Pending Order would result in a breach of a relevant limit, the relevant Order or modification will be rejected by our Platform, save where agreed otherwise between you and our client management team.
- 8.8 In addition, an Account may be subject to a limit restricting the number of CFD Margin Trades, Positions and/or Pending Orders that could result in opening a new Position or CFD Margin Trade on the Account at any time. This limit is set by us in our sole discretion. We are entitled to vary such a limit at any time in accordance with clause 9.3 and it is your responsibility to ensure that you know what the current limit is before entering any new Position or CFD Margin Trade, or placing a new Pending Order by checking the information available on the Platform.
- 9. Profit Or Loss.**
- 9.1 Details of the Unrealised Profit Or Loss (and its relationship to Realised Profit or Realised Loss) for any individual CFD Margin Trade are provided via the Platform.
- 9.2 The Unrealised Profit Or Loss displayed on our Platform at any time may not accurately reflect the Realised Profit or Realised Loss that would be gained or incurred if you closed one or all of your CFD Margin Trades immediately.

9.3 If there is sufficient money in your Account and/or you have sufficient Realised Profits to cover any Realised Loss in full, then a Realised Loss will be due and payable immediately. If not and the Account Revaluation Amount for the Account goes below the Close-Out Level, the Realised Loss will become due and payable immediately.

10. Corporate Actions, Adjustment Events and Insolvency.

10.1 A Corporate Action or an Adjustment Event may occur in relation to the underlying asset of a Product. If a Corporate Action or an Adjustment Event occurs, we will take appropriate action (in our reasonable opinion) to:

- (a) replicate this in your Order or CFD Margin Trade;
- (b) reflect any action taken by counterparties to trades in respect of such underlying assets of the Product that we have entered into in order to hedge or offset our exposure to you; or
- (c) preserve the economic equivalent of your Order or CFD Margin Trade immediately prior to the Corporate Action or Adjustment Event which may

have consequences on your CFD Margin Trade.

10.2 We will give you notice of any applicable action that we decide to take as soon as reasonably practicable, which for the avoidance of doubt may be after the relevant Corporate Action or Adjustment Event or after the relevant action which we may take in our discretion under this paragraph.

10.3 If an issuer, whose securities form the basis of a Product, becomes insolvent or similar, all CFD Margin Trades on that Product shall be closed by us within one (1) month of such an event, generally at a Price of zero (0). If you have a CFD Margin Trade on any such Product, we shall provide you with notice of this.

10.4 If the Price of any CFD Margin Trade connected with a Product or underlying asset which is suspended is greater than zero (0), we will notify you of the date and Price at which such CFD Margin Trade will be closed. We reserve the right to request additional Margin and/or any reasonably foreseeable associated costs incurred by CMC Markets (or any of our Associates) in connection with any suspension of a Product or its relevant underlying asset.

11. Account Close-Out.

11.1 You must ensure that for each Account your Account Revaluation Amount is at all times above the applicable Close-Out Level for your Account displayed on our Platform. Where your Account Revaluation Amount is less than the applicable Close-Out Level, our Platform may automatically initiate Account Close-Out in accordance with your Account settings. Further details on the applicable Close-Out Level for your Account, and the methods of Account Close-Out can be found on our Platform.

11.2 Account Close-Out does not and is not intended to limit your entire liability to us in respect of your CFD Margin Trades. You can lose more than your investment and you may be required to make further payments. Where you have open CFD Margin Trades relating to Manual Products or Manual Orders, if the Platform has carried out an Account Close-Out and your Account Revaluation Amount is still at or below the Close-Out Level the client management team will (as it sees fit in its sole discretion) manually close all or a portion of the CFD Margin Trades relating to Manual Products or Manual Orders within the applicable Trading Hours and where trading is not otherwise suspended.

11.3 Where we have agreed to provide you with the sales trader service, if our client management team has previously agreed with you that it may suspend or override any Account Close-Out initiated by the Platform and your Account Revaluation Amount falls to an Amount at or below the Close-Out Level, our client management team may (as it sees fit in its sole discretion) during UK office hours try to contact you to request payment into the Account. If the client management team is unable to contact you and/or you are unable to fund your Account within a reasonable time, it may manually close all or a portion of the CFD Margin Trades in respect of any Product (including those relating to Manual Products or Manual Orders) within the applicable Trading Hours and where trading is not otherwise suspended.

SCHEDULE 2 - PRODUCT TERMS FOR COUNTDOWNS

This Schedule 2 sets out terms that apply specifically to Countdowns on any Account. Countdowns may not be available to all of our clients.

1. Countdowns.

- 1.1 A Countdown allows you to speculate on whether the Settlement Price of a Product will have moved up or down at the end of a specified timeframe. The only criteria for determining the outcome of a Countdown is whether, corresponding with or against your prediction, the Settlement Price of a Product at the point of time of expiry of the Countdown is above, below or equal to the relevant Countdown Opening Price.
- 1.2 The Premium will be deducted from the Cash in your Account at the point the Countdown is opened. If your Countdown prediction:
- (a) 1.2.1 is incorrect you will lose your Premium;
 - (b) 1.2.2 is correct, your Premium will be returned to your Account, along with an additional Amount (the "Countdown Profit") calculated by multiplying the Premium by a predetermined rate of return, as specified in the Product Library for that Product (the "Return"); or
 - (c) 1.2.3 is neither correct nor incorrect (i.e. the Settlement Price is equal to the Countdown Opening Price when the Countdown expires), a portion of the Premium calculated by multiplying the Premium by a draw percentage, as specified in the Product Library for that Product (the "Draw Percentage"), will be returned to your Account.
- 1.3 All Countdowns will be denominated in the Account Currency.
- 1.4 You will be able to see which Products you can place Countdowns on and access relevant information on each of these Products through the Product Library.

2. Countdown Opening Prices and Settlement Prices.

- 2.1 During the Trading Hours for any Product, our Platform will generate Countdown Opening Prices and Settlement Prices, subject to clauses 4.2.1, 8.2 and 8.3, as well as paragraph 7.2 of this Schedule 2. You may only enter into Countdowns during the Trading Hours for the relevant Product. It is your responsibility to monitor the Trading Hours specified in the Product Library from time to time.
- 2.2 The Countdown Opening Price applicable to any particular Countdown will be generated by and displayed on our Platform and displayed on the Order Ticket when the Countdown is opened.
- 2.3 Countdowns will be settled against the Settlement Price of the relevant Product at the expiration of the relevant Countdown. For the avoidance of doubt the Countdown Opening Price and Settlement Price are relevant only for determining whether you have won or lost a Countdown and not for determining the amount of your profit or loss.
- 2.4 The Countdown Opening Price at which a Countdown is opened may be less favourable to you than the Countdown Opening Price displayed on our Platform when you placed the Order.

3. Orders.

- 3.1 To enter into a Countdown, you must place an Order on our Platform that identifies the Product and specifies the Premium, and provides the information requested on our Platform in relation to that Product. An Order to enter into a Countdown will only be deemed to be received by our Platform at the time at which our Platform actually receives it, which may not be immediately after you submit that Order.
- 3.2 Placing an Order for a Countdown does not guarantee that a Countdown will be entered into. Our Platform and/or we may reject your Order to enter into a Countdown without any explanation.
- 3.3 An Order to enter into a Countdown will be accepted, and a Countdown will be entered into, when the Order is executed by our Platform. Our Platform will record any execution of your Orders, and you can access the relevant information on executed Orders through our Platform.
- 3.4 If the conditions of an Order to enter into a Countdown are met, but at that time your Available Cash is lower than the Premium, the Countdown will not be entered into.
- 3.5 When a Countdown is opened, the Premium immediately becomes payable and a corresponding change will be made to the Cash in the relevant Account. If the Countdown is subsequently cancelled or becomes void the Premium will be returned to the Cash in your Account.
- 3.6 All Countdowns open on the same Product at the same time on an Account are aggregated and subject to netting for the purposes of calculating the size of your Position in the relevant Product.
- 3.7 Orders used to enter Countdowns in the same Product will, if and when executed, open a new Countdown, even if there is already an open Countdown in the same Product in the opposing direction.

4. Closing Countdowns.

- 4.1 Once a Countdown has been entered into, it cannot be closed by you. All Countdowns will be closed and settled by our Platform automatically on expiration of the Countdown.
- 4.2 We reserve the right to instruct our Platform to close any Countdown when we take a Reserved Action or exercise any of our other rights under the Agreement.

5. Limits.

5.1 In addition to any maximum Premium specified in the Product Library, Orders and Countdowns in respect of any Product may be subject to limits restricting the number of Countdowns and/or Positions on the Account at any time. These limits are set by us in our sole discretion and may vary between Accounts.

5.2 We are entitled to vary these limits at any time in accordance with clause 9.3 and it is your responsibility to ensure that you know what all the current limits are before entering into any Countdown by checking the information available on the Platform, as our Platform will automatically reject Orders that would result in a breach of an applicable limit.

6. Profit Or Loss.

6.1 Your potential loss for any individual Countdown is limited to the size of the Premium. The potential profit for any individual Countdown will be specified in the Product Library and will be unchanged over the life of the Countdown. It is denominated in the Account Currency.

6.2 When a profitable Countdown is settled, any payout will immediately become due to you and a corresponding change will be made to the Cash in your Account.

6.3 If at expiry, the Countdown is neither above nor below the Countdown Opening Price, but expires at a Settlement Price equal to the Countdown Opening Price, an amount equal to your Premium multiplied by the Draw Percentage will immediately become due to you and a corresponding change will be made to the Cash in your Account.

7. Pricing Errors.

7.1 From time to time a Pricing Error may occur which prevents our Platform from determining the Settlement Price for a Countdown.

7.2 If we become aware of a Pricing Error during the life of the Countdown, we may, provided it is fair and reasonable in the circumstances, declare that Countdown void and return the Premium to the Cash in your Account.

7.3 If we become aware of such Pricing Error at or after the expiration of a Countdown, we will look at the age of the last available Settlement Price and either:

- (a) cancel the Countdown and return the Premium to the Cash in the relevant Account if the last available Settlement Price is older than half (50%) of the timeframe of the relevant Countdown; or
- (b) subject to paragraph (a) of this Schedule 2, if there is no available Settlement Price for a Product within the last 15 seconds of the Countdown or, if the timeframe of the Countdown is less than a minute, within the last quarter (25%) of the timeframe of the relevant Countdown, settle the Countdown at such Settlement Price as we determine to be fair and reasonable, based on the last Settlement Price available immediately prior to the Pricing Error.

8. Account Close-Out.

8.1 Countdowns will not be closed during Account Close-Out.
