- (c) The single includes the plural and vice versa.
- (d) Unless the context otherwise requires, a reference to any legislation or legislative provision includes any statutory modification or re-enactment of, or legislative provision substituted for, and any subordinate legislation issued under that legislation or legislative provision.
- (e) Each part of these Terms and Conditions is severable from the balance of these Terms and Conditions and if any part of these Terms and Conditions is illegal, void, invalid or unenforceable, then that will not affect the legality, effectiveness, validity or enforceability of the balance of these Terms and Conditions.

- 7.2 The obligations of the Client and CMC Markets under these Terms and Conditions in relation to the settlement of a Transaction which is cancelled in accordance with clause 7.1 cease to apply in respect of that cancelled Transaction from the time it is cancelled (whether or not CMC Markets has given the Client a Confirmation in respect of the Transaction).

- 7.3 The Client acknowledges that under the Rules applicable to an Exchange, the Exchange has a range of powers including the power to cancel or amend a Transaction. The Client agrees not to make, and releases CMC Markets from any right the Client may have to make, any Claim against CMC Markets for any Loss incurred or suffered by the Client which may arise in connection with the exercise of any power pursuant to any Rules (whether or not CMC Markets has given the Client a Confirmation in respect of the Transaction).

The Client has no authority to extend that settlement date and time.
