

CHESS SPONSORSHIP AGREEMENT form

CHESS sponsorship through CMC Markets Stockbroking is a secure and efficient way of registering your share holdings.

CHESS is a service provided by the Australian Securities Exchange that enables share holdings to be held in electronic form (uncertificated), which means you don't need company issued share holding statements.

Each time you buy or sell shares, you'll receive a 'Holding Statement' showing the number of shares registered in your name. We can even convert your existing Issuer Sponsored holdings on to CHESS, free of charge.

Having all your stock CHESS sponsored allows you to easily keep track of your portfolio and makes it easy to sell stock because your trades are settled electronically.

CHESS sponsorship is necessary if you are planning to trade via the CMC Markets Stockbroking internet site.

Applying for CHESS Sponsorship is easy and free. Simply email your completed and signed form to scrip@cmcmarkets.com.au.
